YORK REGION 55+ WINTER GAMES
November 8th - 30th
Deadline for applications is October 30, 2006

It is a chance for seniors, 55+ to get out and get active. All municipalities take part in hosting various events throughout the region so seniors will have the opportunity to go and meet people from other areas of York Region, in a fun and social atmosphere. The games are not necessarily sport specific, so all seniors, no matter what ability, will find something that may be of interest to them. Everyone 55+ is welcome to enter into as many events as they would like.
Events include: badminton, ice hockey, curling, 10 pin bowling, alpine skiing, Nordic skiing (prediction skate), table tennis and carpet bowling, cribbage, bid, euchre, duplicate bridge, euchre. Some events are sanctioned events in which winners would go on to the Ontario Senior Winterfest Games to take place in Brockville, Ontario, Feb 14-16, 2007.

To get information on the specific events and locations, registration forms and event schedules are available for pick up from the Lebovic Leisure Centre. For more information, you can contact Jen McEachen at 905.640.1910 x 288.

COUNCIL HIGHLIGHTS

RESIDENT NOMINATED FOR ONTARIO HERITAGE TRUST AWARD

Council was pleased to nominate Nora Richardson for the Ontario Heritage Trust's 2006 Heritage Community Recognition Award. As a long-time volunteer with the Whitchurch-Stouffville Museum, she has demonstrated continuing commitment to the Town's cultural heritage. Council's nomination was strongly supported by the Museum's Board.

HERITAGE BUILDINGS PROTECTION POLICY

Council adopted a policy intended to protect heritage buildings present on a property where a land development planning application was made. The policy requires that developers ensure windows are properly boarded and roofs protected or repaired. As well, a chain link fence is required to be erected around the structure and access be provided for emergency vehicles year round. The policy is enforced through a required agreement between the owner and the Town and through the furnishing of a letter of credit as a means of security. The applicable heritage buildings are identified in the Town's Built Heritage Inventory.

CONTRACT AWARDED FOR AUDIBLE PEDESTRIAN SIGNALS

Council awarded a contract for installation of audible pedestrian signals and pedestrian countdown displays, to be installed along Main Street at the intersection of Westlawn Crescent/Weldon Road and at Park Drive. The signals are intended to improve safety conditions at these intersections, and help to support the Town's accessibility goals.

COUNCIL CALENDAR APPROVED

Council approved its 2007 meeting calendar, to be available on the Town's website, www.townofws.com. Council, preceded by Council in Committee will continue to meet every first and third Tuesday of the month at 7 p.m. and Public Hearings scheduled every second and fourth Tuesday of the month at 7 p.m. as required.

TEMPORARY ROAD CLOSURES

Council considered two temporary road closures:
A temporary turning tee will be installed to allow the closing of Kennedy Lane at Stouffville Road. This provision is in place to permit continued negotiations for the exchange of land required to install a permanent turning circle and required construction.

A portion of Tenth Line from North Street to Main Street and Main Street from the Tenth Line to Palmwood Gate will be temporary closed to allow the Kinsmen Club's annual Santa Claus Parade. The parade will be held on December 2 from 2:00 to

RAILING INSTALLATION - PACE CREDIT UNION

Council approved the installation of a railing on 6245 Main Street in front of the Pace Credit Union building. The railing will be considered as part of the 2007 capital budget and will replace the existing bollards and chain. The railing will greatly improve the safety and appearance of the sidewalk.

NOTICES

WATER DISTRIBUTION FLUSHING PROGRAM

COMMUNITIES OF BALLANTRAE & MUSSELMAN LAKE

The Public Works Department reminds residents that it routinely conducts watermain flushing operations of the Ballantrae/Musselman Lake municipal water distribution system. The next flushing of the system is scheduled to resume on Monday October 23rd, 2006. The work takes place between the hours of 9:00 a.m. and 3:30 p.m., and is generally repeated every four (4) weeks.

This flushing is necessary to simulate normal operation of the system.

COMMUNITY OF STOUFFVILLE

The Public Works Department will be conducting a watermain flushing program throughout the Community of Stouffville, commencing Monday October 23rd, 2006. This work will be conducted between the hours of 9:00 a.m. and 3:30 p.m. and is expected to last until approximately Friday November 17th, 2006.

During the flushing operation discolouration of the water may occur and because of this we ask for your assistance by restricting the use of water to a minimum while the work is being conducted. Should discolouration of the water occur, let water run until it clears.

Questions and concerns regarding this operation should be directed to the Public Works Department.

We apologize for any inconvenience this work may cause.

Food Drive - October 25 - 31
