Insurance firm on hiring blitz

After 12 years in Stouffville, Grey Power Insurance Brokers is undergoing a major expansion.

It needs about 30 more brokers and broker trainees to join around 60 employees, most of whom live in the Whitchurch-Stouffville area.

That's why the company is holding its first job fair in Stouffville today from 10 a.m. to 1 p.m. and Thursday from 5 to 7 p.m. at 37 Sandiford Dr., Suite 202.

The company recently acquired more space for its offices in the Imperial Centre on Sandiford Road. Renovations will be done this fall with completion expected by the new year, underwriting manager Doreta Clarke said.

After its Ontario operations were bought by ING last April, the company is planning for a boom in its insurance business, catering to those who are 50 years of age and older. Grey Power provides home, travel, auto and

property insurance to a rapidly growing middle-aged and older market.

The Stouffville office has clients throughout southern Ontario, but some customers prefer to come into the office to do business, Ms. Clarke said.

After 12 years in Stouffville, Grey Power Insurance Brokers is undergoing a major expansion.

Grey Power Insurance Brokers, the Ontario arm of the network, has \$68 million in annual premiums and about 100 staff in five satellite offices across Ontario. The over-50 age group is one of the fastest-growing and most lucrative parts of the property insurance business.
