

# Push carts, carry bags, show kindness

About a dozen Stouffville District Secondary School students will be helping shoppers at No. Frills and Shoppers Drug Mart on Stouffville's Main Street Thursday.

They'll be assisting shoppers from 9:30 a.m. to noon.

Students from all grades at Stouffville's only high school will take part in the event initiated by the SDSS Character Matters' committee.

The school held a similar event two years ago.

"Our goal is to help out the community," principal Arlene Smith said.

Next Thursday was chosen for the event since it coincides with Seniors Week celebrations at Shoppers Drug Mart.

Character Matters' members initiated the 'reading buddies' program that has paired high school students

### Piano teacher special guest at CD release concert

Two hundred and twenty people listened with rapt attention as pianist Alan Hobbins performed a program of Chopin, Gershwin and Rachmaninoff at the Ballantrae Golf and Country Club recently.

Ballantrae resident Kay Pinnock was a particularly special member of the audience: she was Mr. Hobbins'

first music teacher in Canada.

The performance was to launch his third CD: *Gershwin, Rachmaninoff Rhapsody in Blue for piano solo*.

His two previous CDs, of music by Chopin, were recorded at the Glenn Gould Studio in Toronto and released in 1995 and 1999.

The recordings received the Chopin Medal of Recognition by the Chopin Society.

The Jamaican-born musician has studied music at the University of Western Ontario, the Juilliard School in New York and at the Glenn Gould Professional School of The Royal Conservatory of Music.

The concert pianist and recording artist also teaches music in Stouffville and Markham.
