

## PATROLLING YOUR CHILDREN'S SAFETY

STAFF PHOTO/MIKE BARRETT

The Rogers Pumpkin Patrol will be out again this Halloween and, to kick-off their awareness campaign, the team is visiting various public schools about the area. From left, Elizabeth Schembri, Earl Dusek, regional president at Rogers, Wendy Cooper, Const. Karen Hodge and Chief Armand La Barge visited kids at JLR Bell Public School Wednesday. The patrol will have bright orange vans out on Halloween on the lookout for kids who need help.

## Williamson Uxbridge GM Canada

RENOVATIONS NEARING COMPLETION...  
SHOWROOM NOW OPEN

In the fall of 2005 Williamson Uxbridge began an extensive renovation and expansion of the north building which housed the Chevrolet Cadillac franchise.

The project is nearing completion with occupancy of the showroom taking place on Monday October 23. At this time some of the sales staff will be moving into the renovated facility and all sales staff will work from the two buildings on the one lot. All vehicles, new and used, will be located on the one lot making your car and truck shopping more convenient. The showroom and lot will include the complete line up of General Motor's domestic product which includes Chevrolet, Pontiac, GMC, Buick, and Cadillac, as well as our used vehicle inventory.

Throughout the construction, the Chevrolet service department has remained in the building and worked around the construction. This portion of the project is also nearing completion and it is hoped that by the end of the year the facility will be complete and house the combined service teams of the two existing buildings. In the meantime the Buick service department will continue to work out of the 2 Douglas Road location.

We are excited about the new facility and believe it will allow us to better serve you whether buying or leasing a vehicle, new or used, or visiting our service department for repairs or maintenance.

Watch for signs indicating progress on the building and drop in to say hello and look around at the building... and the great new product!
