Older driver, safer driver

Six hours just might make you a

safer, more confident driver at the seniors' 55 Alive refresher driving course taking place Nov. 6, 8, 14 and 17 from 9:30 a.m. to noon each day.

Learn to adjust your driving skills for the changes that occur in hearing, vision, flexibility and reaction as you age.

Review what to do when entering and leaving highways, parking

and backing up. Become a more aware, defensive driver to prevent collisions, cope with adverse road conditions and more.

The 55 Alive refresher driving course is held at the Stouffville Royal Canadian Legion on Ninth Line north of Main Street.

To register, call Herb Bell at 905-642-0187.
