

Welcome to Wal-Martville

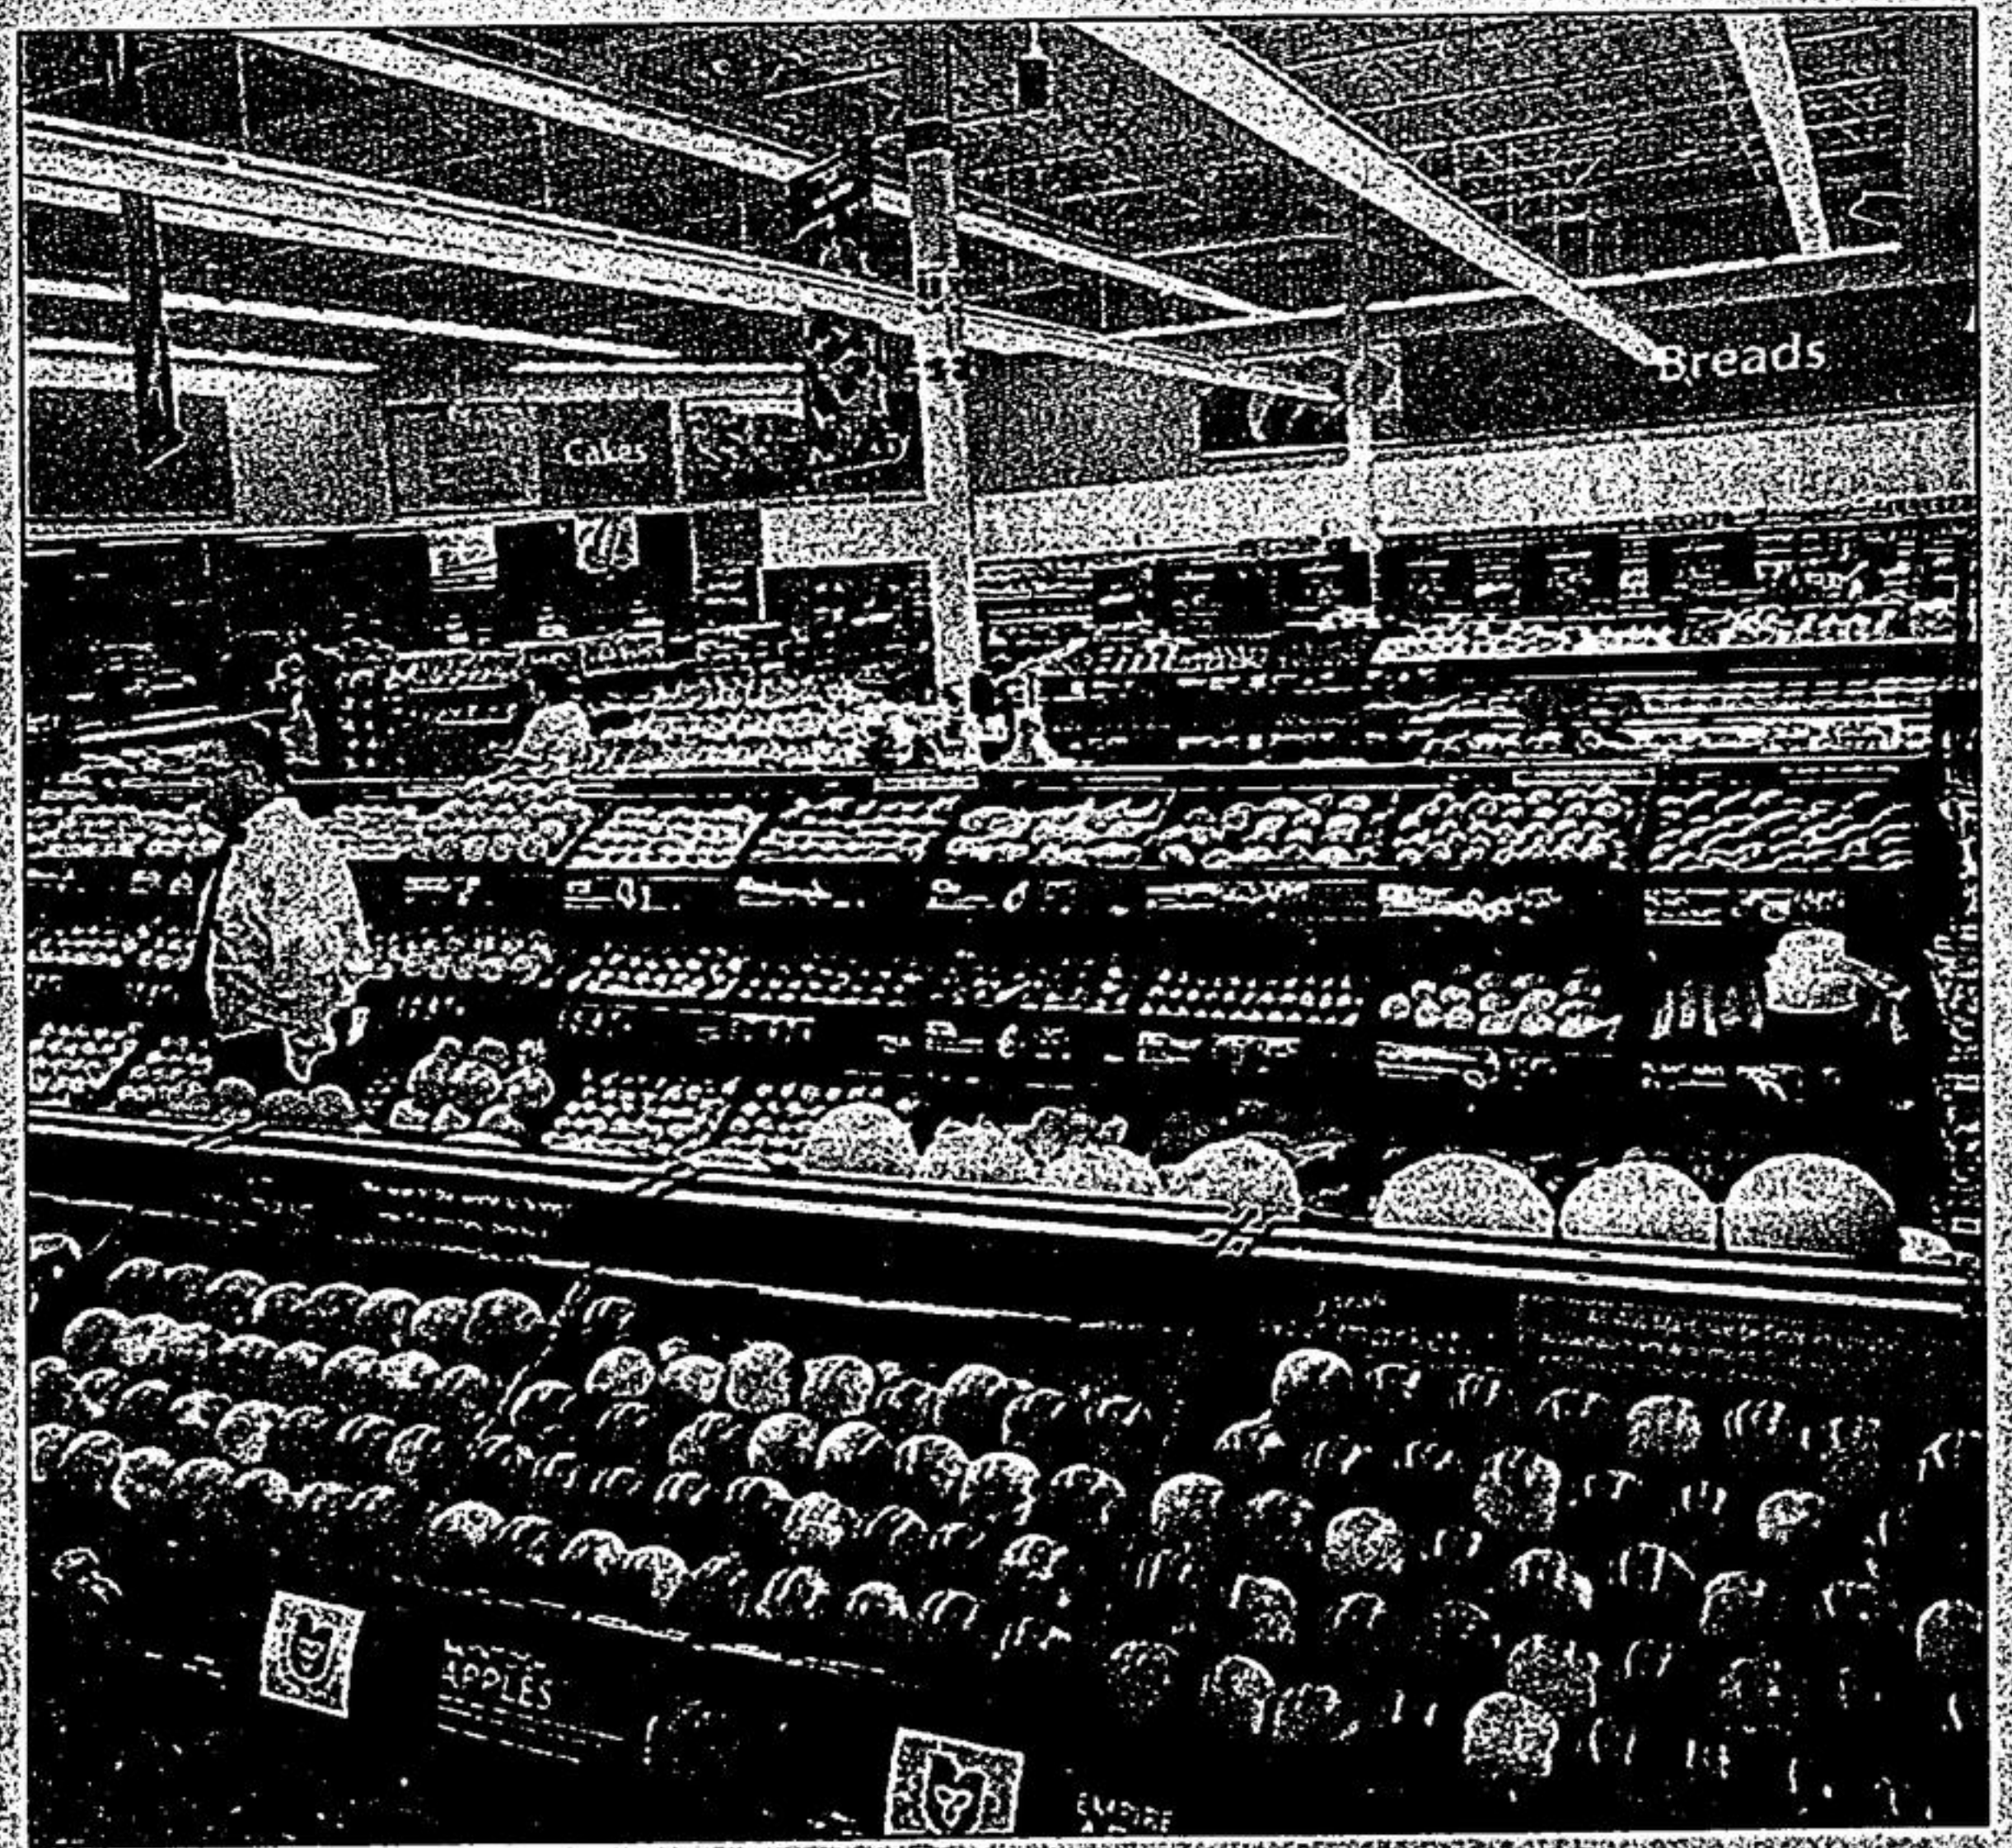

Mario Pilozzi, president and CEO of Wal-Mart Canada, unveils the new Stouffville Supercentre store Tuesday with help from some of the store's 500 employees. The store, on Hwy. 48 south of Stouffville, opened yesterday. It's one of the first three Supercentres in Canada and the first built from the ground up. See Jim Mason's column on page 6, for more information.
