"Sue Sherban is passionate about being mayor and about our community. She has been involved with the Strawberry Festival for many years and she works very hard to make it a success. And I get the impression Sue brings the same level of enthusiasm and dedication to many other community initiatives. I've really enjoyed getting to know Sue. She's straightforward and sincere, and she cares a great deal about this town."

Holly Reynolds, Ward 6 Resident and Chair of the Strawberry Festival Committee 2006

"As Mayor, Sue Sherban has proven herself to be a strong advocate for arts and culture in our community. She has been a big supporter of turning the old town hall into a multi-arts centre, as well as providing funding for various arts projects. Sue has a good handle on what the community needs and wants, and she is true to her word. When Sue says something will happen, it does."

Wayne Hill, Ward 4 Resident and former Chair of the Whitchurch-Stouffville Arts and Cultural Committee
