

WHITCHURCH-STOUFFVILLE COUNCIL

WARD 4

PAM MANDICH

Married for 16 years, Pam Mandich and her husband Rob have an 11-year-old daughter, McKenzie. She has a Master's Degree in Journalism. Her specialty is research and she has worked for CBC Television. Much of her time is spent volunteering for community groups including arts and culture, schools and on traffic safety.

Platform

"Whitchurch-Stouffville is a wonderful place to live. We are still a small town community with a unique identity. We are also a community faced with immense growth and all the challenges growth brings. As your councillor I will be guided by my belief in:

- Controlled, balanced growth that respects our community's heritage, character and environment
- Providing a wide variety of facilities that will allow all residents to participate in community life
- Attracting and encouraging businesses to grow and prosper
- Encouraging the volunteer spirit that is so strong in Whitchurch-Stouffville
- Actively seeking community input into town decision-making.

WARD 5

RICHARD BARTLEY

A resident of Whitchurch-Stouffville for 45 years, Richard has been married to Martina for 22 years.

They have three daughters, in Stouffville schools. He has been employed by Williamson Pontiac, Buick, Cadillac for 26 years, serving the automotive needs of a large client base, and have achieved the highest level customer satisfaction attainable.

Platform

"The issues that have come up on my campaign trial are the alteration of Memorial Park. We need to make sure the park is preserved or improved for the enjoyment of the communi-

ty. "Traffic flow is a huge issue, better planning. Clean up and enhance our public spaces

"We need to communicate better with our youth and learn from the experience of our seniors, the backbone of this great community. Through my business and recreational experience I realize in order to achieve the highest goals possible you must work together as a team not as an individual."

Phone: 905-640-6584 or e-mail: r_bartley@hotmail.com

JOHN RELF

Married to Lilian, John Relf has four children and five grandchildren.

A retired detective, after a distinguished 30-year career with the Toronto Police Service, he is a 19-year resident and an active member of many town and school committees.

Platform

"To ensure our town continues to be a desirable place to live, work, shop and raise our families.

"Lobby for the establishment of an on-site mini police station to ensure greater and more effective police presence.

"Enhance our retail/service environment and expand and develop our cultural and athletic programs and facilities for all ages to enjoy. The arts centre at the old town hall must forge ahead and we must keep Memorial Park as a vibrant focal point in the centre of our town

Phone: 905-642-4323 or e-mail: relphy@rogers.com

JOHN WHITE

A Stouffville resident for 15 years, John White has been proprietor of Stouffville Bowling Centre since 1997. He has 30-plus years of business experience.

Platform

"My platform is one of common sense. In a nutshell, if elected, I will, oppose a feeder road through Memorial Park. Memorial Park should be preserved and improved, not scarred; oppose any further commer-

cial development until the proper road infrastructure is in place - address the educational, recreational and cultural needs of our growing town - promote the maintenance of our town green-space.

"I will attempt to attract viable and lasting small business to the downtown core - fight to see that the current high school land(s) do not fall into the hands of developers. The residents of Ward 5 deserve to be represented by a councillor who will have their best interests at heart. I believe that I am that person."

MAUREEN WOOD

Maureen Wood is owner of Town & Country Home Inspections and wife and mother of two teenage boys.

He education includes a B.A. stock and commodity brokers and managers licenses, trade industry association requirements.

She spent four years on Whitchurch-Stouffville Chamber of Commerce staff, is president, Stouffville Horticultural Society and on the Community in Blooms, Community Links committees.

Platform

"My primary issue is to ensure there is significant infrastructure in place to accommodate Stouffville's residents as Stouffville grows. I see a need for free-flowing traffic routes, and attention paid to essential services.

"I strongly support the rights of farmers, and environmental reforms that make sense. I believe supporting business and industry that bring jobs and a much needed tax base is fiscally prudent.

"I strongly support the revitalization of Memorial Park, the downtown core and purchasing land for public parking. All aspects of the arts are in need of financial assistance from the town and corporate sponsors."

WARD 6

ROB HARGRAVE

Mr. Hargrave has lived in Whitchurch-Stouffville for more than 40 years. He is the married father of three, Ryan 19, Laura 16 and Sean 11.

Platform

"The future success of Stouffville as a thriving community lies within the proper management of existing and future development.

"We need to work as a team within the community to set policies that will ensure a strong foundation for our future generations. I will continue to monitor all budgetary procedures from the town administration. I will be vigilant to make the town accountable for expenditures.

"I will fight to save the three ball diamonds in Memorial Park by opposing the expansion of Park Avenue through Memorial Park. Continue to fight against development charges being charged to senior facilities and churches.

"I will lobby council to build a youth centre for the teens. Ward 6 needs a strong voice at council to ensure the values that first attracted you to settle in Whitchurch-Stouffville and to raise your family will not be compromised."
