CELEBRATING 25 YEARS!

The Queen's Pantry has decked the halls at both its locations to inspire you to create your best holiday season ever. Come experience the charm of Christmas Past by visiting the Queen's Pantry in historic Unionville. Explore the 7,000 square foot Queensbridge Mill located just 10 minutes north for design ideas and help with your decorating projects.

The Queensbridge Mill has 2 floors of furnishings and accents coordinated in the colour palettes of the Paint Cafe. There are over 50 colours on the wall to inspire you. Nothing transforms a room more dramatically and as inexpensively as changing the colour of your walls. Add new accents in your new colour and your room is suddenly refreshed.

The Queen's Pantry has introduced a "QUICK SHIP" program of 5 choices of sofa styles each in a beautiful neutral fabric ranging in price from \$799-\$999. They have also included a sectional sofa in durable ultra suede in ivory for \$1999. "Quick Ship" means that sofas can be delivered to the customer within a week of ordering. Each furniture group has coordinating loveseats, chairs and ottomans at great promotional prices.

It not too late to create your dream room for the holidays!

The Queen's Pantry offers a full design service including in-home consultation and has been widely recognized as an outstanding design center offering exceptional quality and service with competitive pricing. They were awarded the People's Choice Award for "THE BEST FURNITURE STORE" in Markham in 2005.

The Queensbridge Mill location offers a wide variety of seminars. The Nov/Dec calendar events includes:

CREATING HOLIDAY CHEER!
Join our creative team for lunch as we teach you easy tips on how to decorate and entertain with panache. Take home the recipes from our make-ahead menu to be enjoyed with family and friends.

WINTER SAFETY SPECIAL

Well it's mid November now and winter is just around the corner. Already we are finding cool evenings and frost on our windshields in the morning. It's time for some winter maintenance on our vehicles. Winter driving with its cold engine temperatures and rich fuel mixtures can foul spark plugs. Even new plugs firing intermittently will decrease fuel economy and engine performance drastically. Rich mixtures also cause fuel injector tips to become dirty causing erratic fuel spray patterns and decreasing fuel economy and performance. We all want a safe and comfortable commute to and from work each winter day.

Sandy's Auto Service is offering a winter special consisting of lubrication, 5 litres quality oil and oil filter, load test battery and check charging system. Inspect wiper blades and washers, 140 point safety inspection. Inspect all tires and measure tread depth for safe stops and maneuverability in winter's extreme conditions. Inspect spark plugs for wear and contamination. Test and inspect oxygen sensors as rich fuel mixtures can foul these sensors and their performance slowly degrades over time causing a major decrease in economy and performance. Although pricey, new sensors can improve economy and performance dramatically so they are well worth the investment (approx. every

100,000 kms). Rotate tires front to rear. Inspect brakes and front end components. Sandy says to top off this service he will access your onboard computer for any TDCs (Diagnostic Trouble Codes) and finally identify any areas that need attention and formulate the correct repair procedure. All the above for only \$49.95. You can make your vehicle safe and dependable, just call us and we will show you how. All parts and services are completely guaranteed.

Call today for your appointment.
