Teams needed for first Relay for Life

From page 1.

On the evening of June 15, the teams, which include cancer survivors, friends and family, will be at Willowgrove, at 11737 McCowan Rd. They'll have collected pledges and held fundraisers for a few months before going to the summertime event to honour cancer survivors and remember those who succumbed to the disease.

TERRY NEPRILY: Relay for Life organizer was diagnosed with cancer more than one year ago.

'It's a night of fun, friendship and fundraising to beat cancer.'

Relay For Life is an overnight non-competitive relay that involves teams of 10 people who take turns walking or running around a track to raise money to support the work of the society.

The Markham Relay For Life, in which many Stouffville-area residents have taken part, goes June 22 at Markham Museum. At last year's event, 438 people raised \$135,000. Among the participants were more than 64 cancer survivors and about 100 volunteers.

'It's a night of fun, friendship and fundraising to beat cancer,' Mr. Neprily said.

To make a pledge, register a team, volunteer or buy luminary candles for the Whitchurch-Stouffville Relay for Life, log on to www.secureccs.ca. For more information, e-mail terry.neprily@sympatico.ca or call 416-771-8787

The event continues until 7 a.m. June 16.

Callers never have to identify themselves or testify in court
