COMMUNITY NOTICES

To assist the Public Works Department with its winter maintenance residents are reminded of the following:

- As per Town of Whitchurch-Stouffville By-law 2002-85-TR, **parking of any vehicle is not permitted on any Town street between the hours of 2:00 am to 5:00 am from December 1st to March 31st.** Parking Control Officers will be enforcing this by-law on a regular basis.
- During the day, to assist with the Town's plowing operations, we asked that vehicles not be parked on the street until they have been serviced.
- Not to push snow from driveways on to the travel portion of the road.
- Placing of garbage containers and blue boxes in drive ways rather than on snow banks.
- When driving, stay well back of snow plows as they are, on occasion, required to back-up during plowing operations.
- Residents are requested not to allow children to play on snow piles located on or at the side of the roads. Snow plow operators may not see children playing in the snow.
- The municipality is not responsible for damage to items placed on Town Property by property owners. Examples of such items are fences, posts, hedges, shrubs, concrete and wood driveway curbs. Removal of these items will aid in our road and sidewalk plowing operations and prevent damage to these property improvements.**
