

Arts group wants to help

If you're a member of an arts organization in town, you'll likely have help from the newly-revamped Culture, Arts and Heritage Whitchurch-Stouffville group in the near future.

Started about five years ago mainly to lobby for a theatre in downtown Stouffville, CAHWS is looking for more members to fulfill its broader mandate.

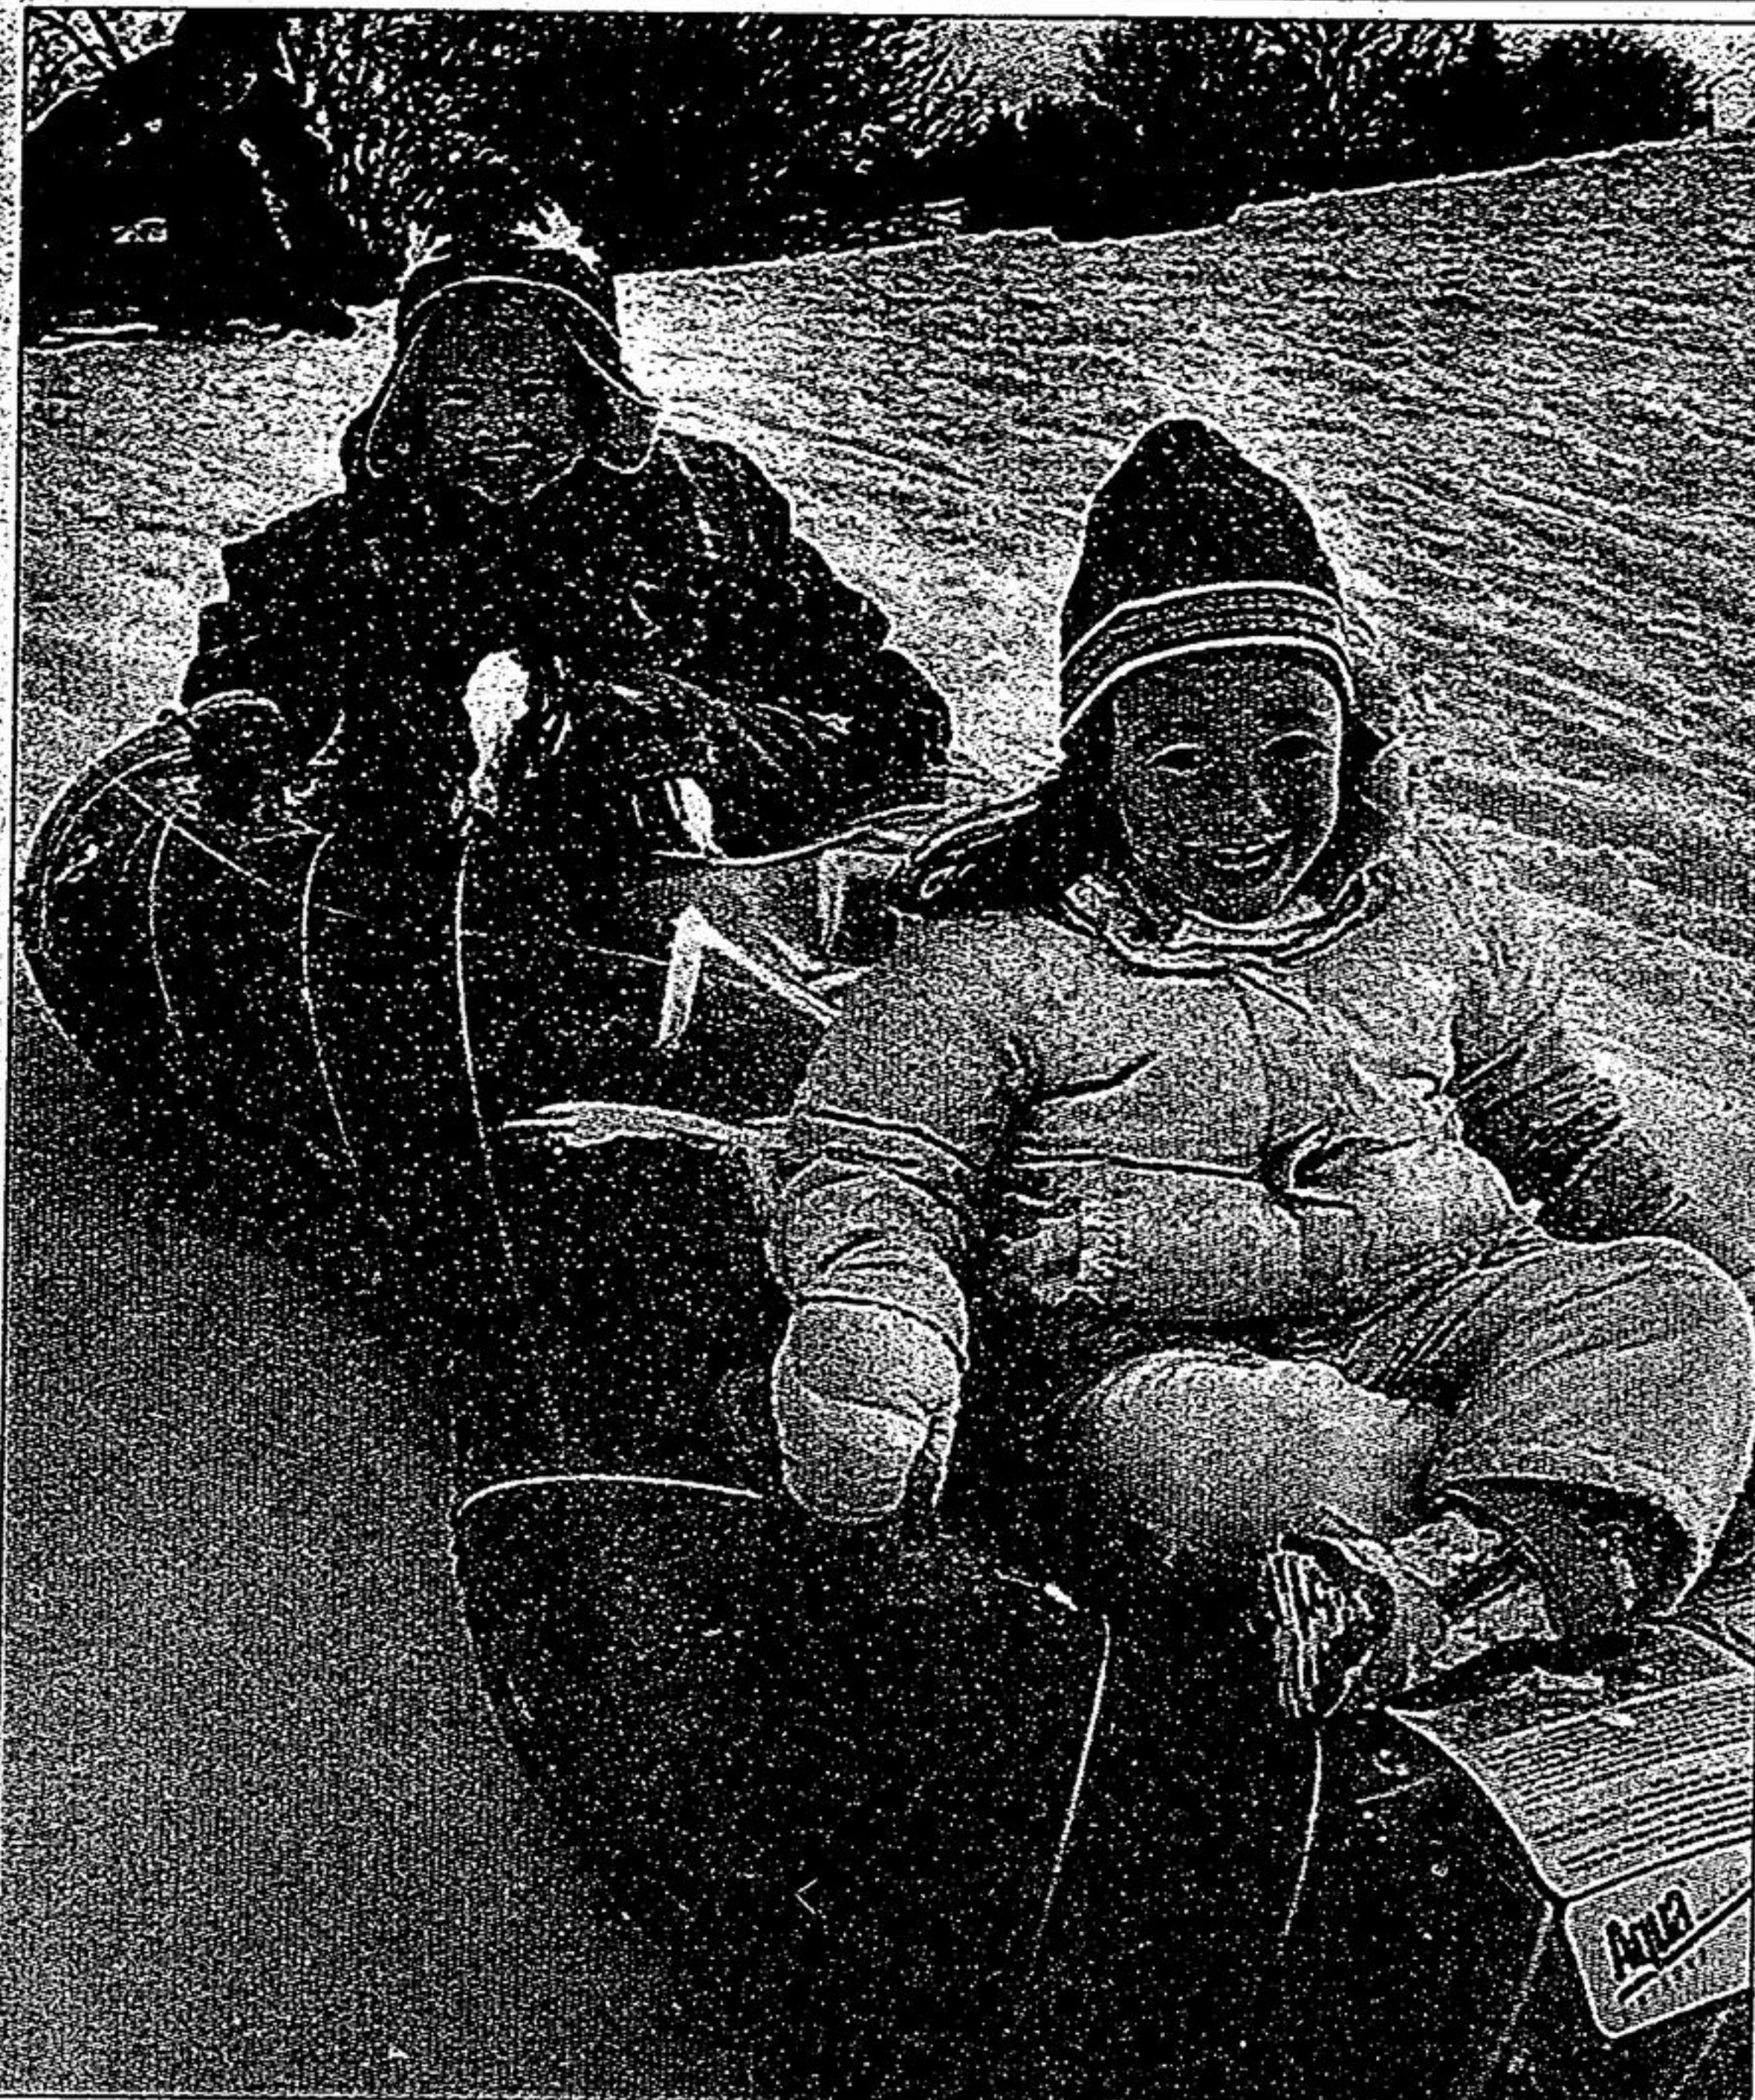

It recently became a not-for-profit organization, which means it can apply for grants, which could be directed to

arts organizations. CAHWS could also host workshops to assist groups.

"We are looking for a wider mandate to help a larger variety of arts groups," CAHWS spokesperson Kathi Wood said.

The next CAHWS meeting is Feb. 7 at 7 p.m. at the We Rock Studio, 6245 Main St., second floor, above PACE Credit Union. The entrance at the rear of the building.

If you want to become a member of CAHWS, call 905-640-5024.
