ER & OR Registered Nurses will be excited to join us now!

For more than 40 years, York Central Hospital has been providing increasingly progressive health care services to our community - York Region, one of Canada's fastest growing areas. We are always launching innovative initiatives throughout our wide range of medical services and outpatient clinics, to meet our community's evolving needs. Our Redevelopment Project will see us tripling the size of our Emergency Department, expanding Surgery Services, and making ours a state-of-the-art facility. This has renewed our commitment to our Registered Nurses, providing them with greater opportunities for personal and professional growth and development.

Join us today, and be recognized for your contributions in all of our clinical areas, including our busy Emergency Department, which has the second largest volume in the GTA, and our Surgery Program, which offers a full complement of surgery-related services. Specifically, we have openings for RNs (OR, PACU, Day Surgery and Inpatient Surgery), RPNs (OR), Central Processing Technicians, and Unit Secretaries (OR and Inpatient). Visit our website to learn more about us and our Nursing team.
