

Skier may skip OFSAA finals

An eight-member Stouffville District Secondary School nordic ski team battled frigid temperatures and strong winds at Hardwood Hills near Barrie last Tuesday to finish third at the York Region high school championships.

Anchoring the Spartans was Jason Lock, who finished second in the senior boys nine-kilometre competition.

The 17-year-old, Grade 12 student gained a berth in the Ontario Federation of School Athletic Associations champi-

onships today and tomorrow in North Bay.

However, Spartans head coach Scott Croucher said Lock, a two-time former OFSAA participant as a Grade 9 and 10 student and a junior national development nordic ski program participant, may pass up the opportunity to go this year to concentrate on his academics.

Croucher was pleased with the effort his team gave, noting all participants

completed their respective races.

Making the feat even more rewarding was that the Spartans did not field a nordic team last year.

Dr. G.W. Williams Secondary School won the team event while Cardinal Carter Catholic High School was second. Both schools are located in Aurora.

Girls tune up for playoffs

The Stouffville District Secondary School Spartans girls' ice hockey team tuned up for the York Region playoffs by winning the B final of Friday's tournament at York University with a 6-2 win over Lorne Park (Mississauga).

Heather Hughes scored three goals while Brittany Crago, Lauren Barber and Jaime Sparks each added singles.

The Spartans, who finished the regular season in second in the South Division with a 6-3-1 mark, face Brother Andre of Markham in a first-round, single game elimination quarter-final playoff today at 2:15 p.m. at the Stouffville Arena.

In last week's regular season finale, the Spartans defeated Cardinal Carter Catholic High school 3-1 in Aurora. Sparks, Hayley Hughes and Heather Hughes scored.

Annette's Tourtiere:

For the past two Christmas seasons we have been preparing a delectable tourtiere made with beef and pork. It is a genuine French Canadian recipe, seasoned perfectly and uses a delicious flaky pie crust. Since Christmas, many of our customers have been asking for this entrée but we explain that we only make it for the Holiday Season. We give in! It is now available in our frozen food/freezer ready to bake and serve. Who says that it has to be the holidays to enjoy Annette's Tourtiere.
