

## Thank you from . . . Canadian Foodgrains Bank – York Region!

In 2006, York farmers who grow crops for the Canadian Foodgrains Bank surpassed the \$90,000.00 raised in 2005 by totalling \$148, 812 at their 17 projects.

Canadian Foodgrains Bank is a Winnipeg based charitable organization that banks grain on behalf of 13 church agencies for emergencies in 25 developing countries. Farmers make donations of grains, soybeans, corn and other agriculture commodities. Cash donations are also received. All donations of crops and cash are matched on a 4:1 basis by the federal government's CIDA program.

From 2000 – 2006, York Project has raised \$453,997 through donations. This amounts to a matched value of \$2.27 million. Each dollar raised will feed a family of five for three months

### THE HISTORY OF

## SANDY'S AUTO SERVICE LTD.

Sandy's opened for business in a BP Service Station in Unionville at the north-west corner of Hwy. 7 and Old Kennedy Rd. in July of 1975. Four years later after building a successful business he decided to go independent. He opened shop on Heritage Rd. in October 1979 where he conducted business until July of 1993 when he moved around the corner to his present location at 176 Bullock Dr., unit 8 in Markham. We are now in our 32nd year serving Markham and Unionville, and it's been great. We offer our customers and friends a clean and tidy waiting area, fresh coffee, prompt and courteous service, expert repairs, fair pricing and a nation wide warranty. We were the first shop in Markham and Unionville to offer Emission testing and we service and repair most cars and light trucks. We test emissions every half hour from 9:00 to 5:00 by appointment so there is no waiting for other tests. You're in and out normally in 20 minutes. When you come in you will be greeted by Sharon (the boss), Sandy or Steve both licensed technicians licensed by the Province of Ontario, Ministry of Transport, Ministry of Environment and by the Institute of Automotive Service Excellence (ASE), which is based in Herndon, Virginia, USA. You speak directly to the technician to quickly resolve your automotive issues.

Most parts we use are guaranteed for 1 year or 20,000 kms and some have a life-time guarantee depending on the part and the supplier. All labour comes with a 1 year warranty. We continually upgrade our skills to keep up with the ever changing automotive

technology. If the repair is too extensive to be completed the same day we will supply you with a new vehicle at our expense, compliments of Sandy's Auto Service.
