"Losing Liz this year, you get a bit of a pit in your stomach because she was a big insurance policy. But

this year, without having her, it made the girls work harder," he said.

But Courtney (Humphreys) rose to the occasion when she had to. And you also have to credit our team defence. Every shot we gave up basically came from outside and Courtney was solid when she needed to be."

## MediSpa Clinic on Main Look and feel your best

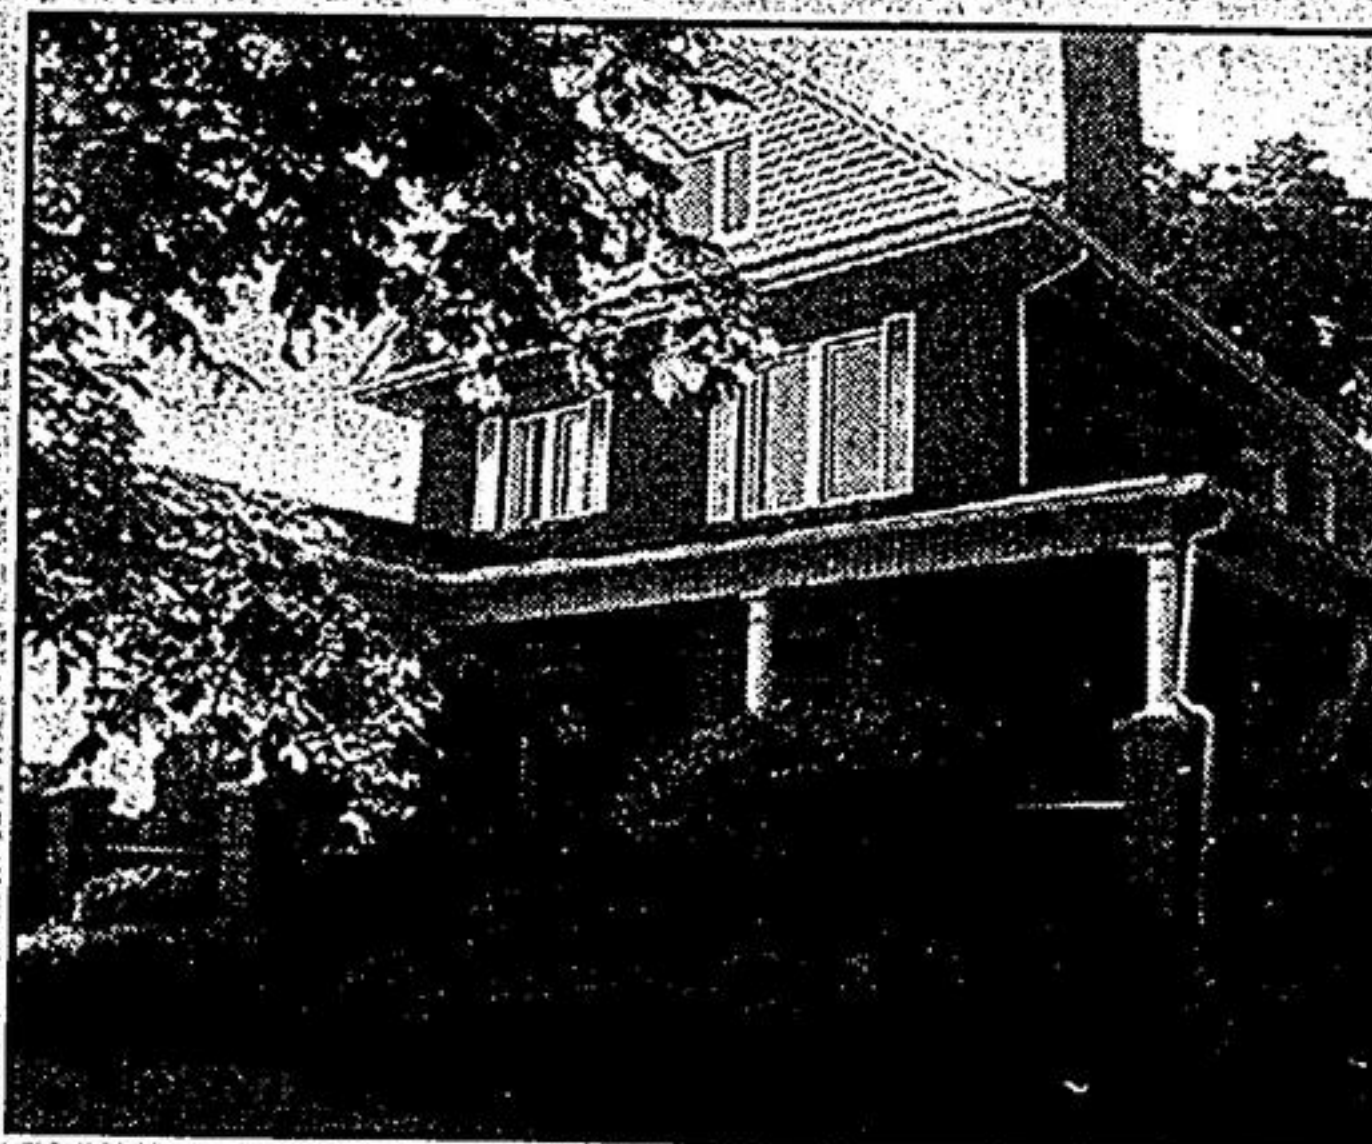

MediSpa Clinic on Main is a centre for advanced medical aesthetics, serving Stouffville, Markham and York Region. Located in a charming, century property on Stouffville's historic Main Street, they provide advanced skin care treatments to repair and maintain your healthy look.

Laser hair removal is a specialty for which they are particularly well-known. Unwanted hair and hair regrowth is eliminated without any damage to the surrounding skin. The procedure is safe and effective with their state-of-the-art diode laser, and results are immediately noticeable. Imagine throwing away that razor forever!

Photorejuvenation is another popular skin therapy done at the clinic. Rosacea, sun spots, age spots, brown spots, skin discoloration, facial wrinkles, visible facial veins, even acne, can be treated quickly and easily, even over a lunch hour.

MediSpa Clinic on Main recently acquired the most advanced technology available for the reduction of cellulite and fat. Accent RF therapy has achieved dramatic results, with clients losing pounds and inches from the waist, thighs, buttocks, neck and other body areas. In addition to reducing fat and cellulite, this non-invasive technology tightens the skin, making it ideal for those with rippled skin textures due to cellulite. Visit their web site at [www.medispaclinic.com](http://www.medispaclinic.com) to see the Accent featured on CITY TV's newscast.

The Jane Iredale line of mineral makeup is very popular with MediSpa's clients. In addition to providing a soft, natural look, its reparative effects will enhance your skin's properties.

Effective April 1, MediSpa Clinic on Main will be offering an exciting new line of services including hot stone massage, body treatments, spa manicures and pedicures, plus more. Watch for our ads and check our web site for further details.
