

INDEPENDENT PLANNING GROUP INC.
FINANCIAL PLANNER

You love to build warm client relationships and be part of a team. As a committed professional, you have a university/college degree, 3-5 years experience, mutual funds and insurance licenses, and CFP.

Your role (salary + bonus) is three fold. Half of your time will be working hand in hand with the business owners, analyzing and recommending mutual fund portfolios. The other half is to ensure continued quality service to existing clients as well as developing new business.

We've built a solid reputation as wealth and risk management professionals. Our clients trust our integrity and experience in business, estate, and tax analysis. They value our quality financial plans and products (wealth management, mutual funds, GICs, insurance).

Send resume in confidence to:
Sandra Parsons, B.Comm., CFP, Independent Planning Group
6165 Main St. Stouffville, ON L4A 4H8
Email: sparsons@ipgstouffville.com Fax: 905-642-4537

515 Skilled & Technical Help

Novopharm Limited is the Canadian subsidiary of TEVA, one of the world's largest generic pharmaceutical companies. Dynamic and fast-growing, Novopharm is focused on its vision to be "Canada's Leader in Affordable Healthcare Solutions" through our global advantage, product leadership and customer commitment.

Novopharm has locations in Stouffville, Markham, and Scarborough. As part of TEVA's growing global organization, which is among the top 20 pharmaceutical companies in the world and includes approximately 25,000 employees worldwide, Novopharm offers unique and exciting employment opportunities to qualified candidates, including:

**Maintenance Technician - Packaging
Maintenance Technician - Production**

In these roles you will be responsible for performing mechanical installation, modification, troubleshooting, maintenance and repair of site equipment, utilities, systems and/or facilities in accordance with established SOPs, GMP guidelines and EH&S policies. You will also identify, recommend and implement improvements to line procedures, equipment, utilities, systems and/or facilities to enhance the productivity, quality or safety of products, processes and/or procedures. In addition, you will perform operational checks on equipment and systems and detect and investigate variances in performance.

Qualifications include an Ontario Trades Certificate or College Diploma in a related maintenance discipline coupled with a minimum of 3-5 years' related mechanical or electro-mechanical experience. Experience working with pharmaceutical production and/or high speed packaging equipment is required. Experience in the pharmaceutical industry or other GMP environment is preferred. Candidates must also be flexible to work shifts.

More information is available at our website www.novopharm.com on these and other exciting Career Opportunities with Novopharm. We encourage candidates to visit the site and apply online.
