

OUR FRESH ONTARIO LAMB LAMB

We're often asked "Where is your lamb from?" — and our answer is always "Ontario". The problem is that lamb is not graded by the Canadian Dept. of Agriculture, unlike in the United States. What this means is that Ontario Lamb is not necessarily great lamb. Over time we have solved this problem by having two suppliers of lamb to whom we've specified grading and conformation characteristics which will translate into reliably good lamb at the table. In short, we've gone to great lengths to ensure great lamb.

Cuts that are available are:

Bone-In Lamb Legs	6⁹⁵ lb.
Boneless Lamb Legs, either Butterflied or rolled	11⁹⁵ lb.
Loin Chops, either plain or Marinated, no tail	19⁹⁵ lb.

Boneless Lamb Shoulder Roasts, plain or seasoned	5⁹⁹ lb.
