EMBRACE THE SPIRIT OF COMMUNITY

Markham Stouffville Hospital Corporation is a progressive, two-site community hospital with leading diagnostic services and clinical programs in acute care medicine and surgery, addictions and mental health, and maternal and child health – all focused on the needs of our rapidly growing communities. Partnering with other specialist providers, our 275 physicians and 1,500 staff make it the centre of community care for residents of the Towns of Markham, Stouffville and Uxbridge, a catchment area of nearly 300,000 members.

Breast Health Centre: a new opportunity to care

Join our team as we embrace a world-class approach to cancer care. Scheduled to open in June of this year, our one-stop breast health centre provides an integrated approach through screening, diagnostics, treatment and monitoring that will support community members in a timely, compassionate manner. Our goal is to simplify the screening and diagnostic process, and help take the worry out of the wait for every person who enters our clinic. Our patient-centred approach will reduce the wait time between consultations or visits with the necessary specialists.

We have the best available technology. Now, we seek to add the very best people to work with our knowledgeable, committed professionals in delivering great care for the women of York Region.

Registered Nurse

An enthusiastic Nurse Navigator, you are ready to take a leadership role in establishing our new Breast Care Centre, and coordinate clinic activities to provide patient-centred care and education through the full continuum of care. A background in breast health and a BScN or commensurate experience would be ideal.

Ultrasound Technologist

Along with completion of an accredited postgraduate Ultrasound Program, you have RDMS certification in AB and OB, with preference being given to those who are also RVTs. At least 1 year of experience is preferred, coupled with teaching hospital experience. New graduates pending RDMS certification will also be considered.

Mammography Technologist

With your 2+ years of mammography experience and CMRTO certification, you will perform all mammography examinations, including digital mammography, stereotactic biopsies, needle localizations and ductograms.

To find out more about us and these opportunities, please visit our website or contact: Human Resources, Markham Stouffville Hospital Corporation, 381 Church Street, Markham, Ontario, L3P 7P3. Fax: 905-472-7055. Job Line: 905-472-7575 or 1-866-243-JOBS. E-mail: humanres@msh.on.ca
