When the Remington Group says "The Verdale Luxury Condominiums are surrounded by green" we mean it. As the newest offering in Downtown Markham, North America's largest LEED Registered development, The Verdale offers the finest sustainable luxury living available, loaded with amenities including a 9000 sq. ft. landscaped courtyard, and an athletic centre with an indoor pool, steam room and jacuzzi. And, just beyond your door are parks, a Piazza, and the Rouge River Valley. Yes, The Verdale is Green serene.
