## It's Spring... Time to Refresh with Colour!

The Queensbridge Mill is abloom in colour! There are over 50 colours painted on the walls to inspire you to create the home of your dreams.

Linda and Karen Chadwick have operated the Queen's Pantry on Main Street, Unionville for over 25 years. Eight years ago, they bought the building on the historic site of the old Almira Mill and renamed it The Queensbridge Mill. It is over 7,000 square feet with room settings designed around the colour palettes of The Paint Cafe-their signature paint. Nothing transforms a room more dramatically and inexpensively as changing the colour of your walls. Add new accents in a new colour and your room is suddenly refreshed.

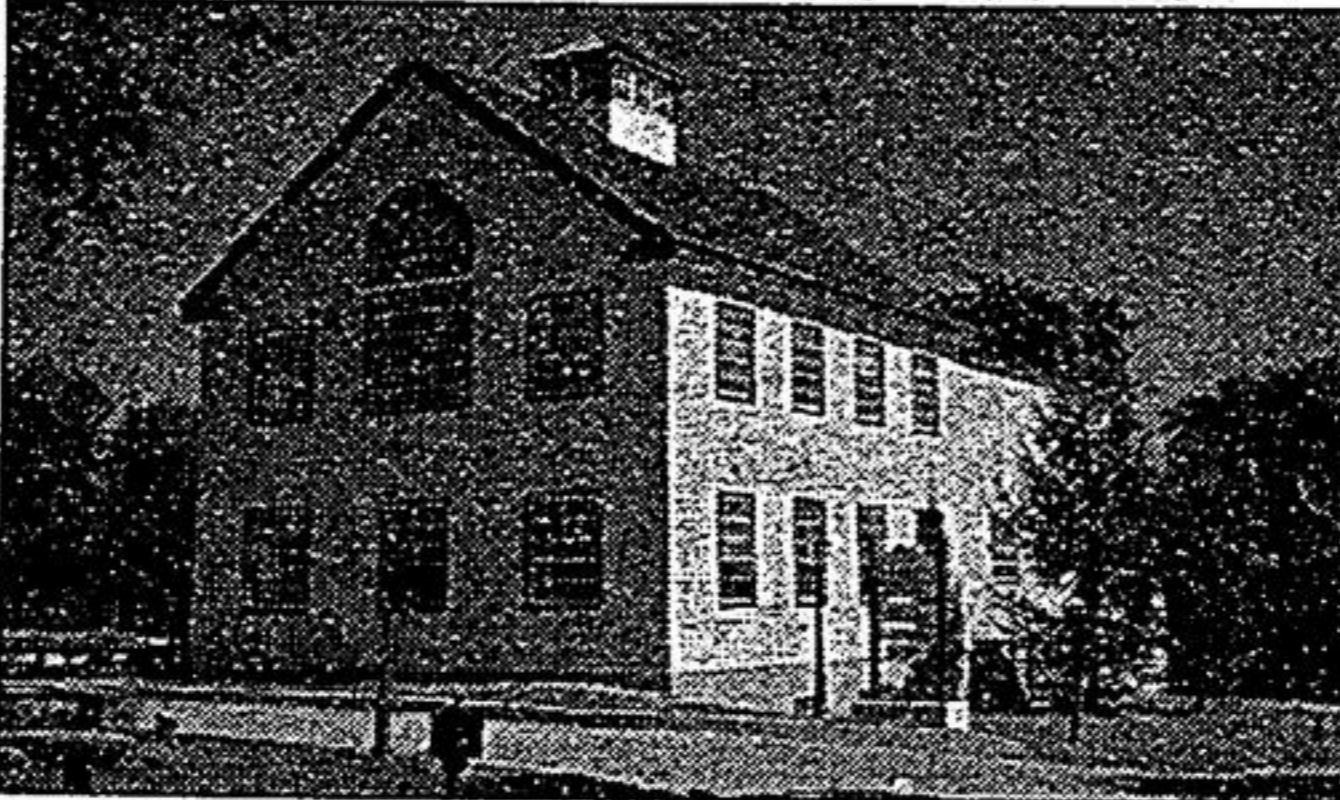

The Queen's Pantry has introduced a "QUICK SHIP" program. There are 5 choices of sofa styles each in a beautiful neutral fabric ranging in price from \$799-\$999.

They have also included a sectional sofa in durable ultra suede in ivory for \$1999. "QUICK SHIP" means that sofas can be delivered to the customer within a week of ordering. Each furniture group has coordinating loveseat, chair and ottoman at great promotional prices.

The Queen's Pantry offers a full design service including in-home consultation and has been widely recognized as an outstanding design centre offering exceptional quality with competitive prices.

The Queensbridge Mill location offers a wide variety of courses on design and cooking. The Spring program includes:
