

Stouffville Says

By Hannelore Volpe

What is your experience with health care in York Region?

— Asked on Main Street, Stouffville

Brid GAVIN

When I had my daughter at Markham Stouffville Hospital, I had a good experience. I was treated well and the nurses and doctors were very attentive.

Mary MOFFATT

So far, it has been good. I had some procedures done last year and staff at Markham Stouffville Hospital were very kind and very quick.

Peter PITIGALA

So far, I have been looked after really well. I have never had any delays with getting appointments with specialists.

Becky NIGHSWANDER

Some of my relatives have experienced overly long wait times to have blood work done, especially on Saturday mornings, because the lab is understaffed.

What a Night!!!

A huge thank you to the over 100 women (and the handful of men) who joined us last Wednesday evening in the launch of our new and fabulous lingerie and hosiery bar, Divas & Darlings. WOW...a certain TV talk show host would have been proud!

From bra fittings to live modeling (thanks Lauren and Carly!), the evening was to say the least a smashing success! Congrats, as well to our draw winner Laura Scarborough, who received a beautiful Philippe Matignon hosiery basket - enjoy Laura!

Divas & Darlings is proud to be your lingerie and hosiery destination in Uxbridge. Visit us or if you prefer book an appointment for fitting (905 852 3683), and allow yourself to experience the sheer elegance of Simone Pérèle, the playful spirit of Alumette and last but not least heavenly hosiery from Philippe Matignon.

Again, our warmest thanks!
Julie & Sara
