## We're building the future now. But where?

As part of evaluating the list of potential sites for the proposed energy-from-waste facility, a preliminary health and ecological assessment is being completed. One of the potential sites is located on Garfield Wright Boulevard in the Town of East Gwillimbury.

Join us and learn more about the progress of the Environmental Assessment (EA) to date, including the health and ecology-related studies.

Information Sessions will be held from 6:30 p.m. - 9:30 p.m.  
A formal presentation will begin at 7:00 p.m.

Tuesday, June 19, 2007 and Thursday, June 21, 2007  
Roman Palace Banquet Hall, 1096 Ringwell Road, Newmarket

Please note that the format and information discussed will be the same for each session. Please register in advance for these sessions by calling 1-866-398-4423

For more information on the Durham/York Residual Waste EA Study or details regarding public sessions being held in Durham Region, please visit [www.durhamyorkwaste.ca](http://www.durhamyorkwaste.ca) or call 1-866-398-4423
