

Stouffville Says

By Hannelore Volpe

What do you recommend seeing and doing at the Strawberry Festival?

— Asked in Memorial Park and downtown Stouffville

Megan MORROW

Come to see the town's young people sing and dance. Last year, I performed with the K & K Dance Dreamz school. I like the games in the Kids Zone, too.

Justin PELOWICH-PICKUP

I would recommend the midway and the games. We also buy strawberries and peas at the festival.

Mary HAYNES

I enjoy the pancake breakfast put on by the Ballantrae Lions Club and walking along Main Street to see the crafts and all the people. The festival brings the community together.

Catherine HUMPHREYS

Go to the Main Street Saturday and you will run into people you know. The variety of booths is just amazing. We nearly always have a sausage on a bun.
