

# Runners-up get berth in provincial lawn bowling final

Finishing second at the district senior lawn bowling championships wasn't all bad for a Stouffville Lawn Bowling Club team.

The team of Jane Hachey, Glenda Dunkeld and Nancy Stover finished behind Ottawa at the districts in Newmarket July 3.

When the champs were unable to go to the provincials in London later this month the Stouffville squad stepped in.

They made it to the final four games before being eliminated.

## SPORTS BRIEFS

Also taking part at the districts were Marg Carter, Allan Badgery, and Bob Stover.

At a 16-team pairs tourney at James Gardens, the team of Marg Curtis and Gertrud Brugger finished second.

### Mennos split pair of games

The Stouffville Mennos found out the Scarborough Royals weren't ranked as the third-best team in this year's provincial junior championships for nothing.

Playing host to the Royals in an Oshawa City and District Fastball League contest Thursday at Memorial Park, the Mennos generated six hits off Scarborough pitcher Andrew Scott in a 6-1 loss.

The Royals generated most of

their damage in the third inning after erupting for four runs, including a two-run homer by Matt Dasilva, off-starting and losing pitcher Byron Baranieski.

The Mennos generated their lone run in the sixth inning when Rich Burkholder doubled and scored on a hit by Baranieski.

The loss came on the heels of a 10-4 win Tuesday over the host Oshawa Juniors. The Mennos overcame a one-run deficit by erupting with seven runs in the seventh

inning. Jay Nesbitt cracked a three-run homer to ignite the rally. Dale Boadway collected three hits.

Baranieski tossed two innings of shutout ball in relief of Nesbitt to earn the win.

Now 5-7 on the season, the Mennos will take part in an open tournament this weekend in Meaford and resume league play Tuesday on the road against the Scarborough Wolverines.

Rosehill Pools is a Stouffville-based company owned and operated by Brian Powell. Brian is a Civil Engineer and has been building inground vinyl lined pools for over 20 years. All pools are custom designed and the construction overseen by him personally. From your first vision to your first swim, Brian and his crew work together to add a little piece of paradise to your backyard.

Over the past 35 years the vinyl lined pool industry has seen many changes. From the introduction of fiberglass steps and myriad new shapes, to waterfalls and spill-over spas, our industry now has innumerable options. Rosehill Pools will personalize your pool with all of the most up-to-date features.

As well as new construction we also do major renovations to upgrade existing pools. This can include replacing or covering old concrete decks, changing the pools shape, adding stairs and hot-tubs, water features, lighting, stonework, and re-landscaping your yard.

The new millennium has seen a shift from chlorine pucks to Salt Water Systems. Salt water pools are easier to maintain, require less handling of chemicals, offer better water balance, and are ultimately nicer to swim in. Rosehill Pools are salt water specialists. All our new pools are designed for these systems, and existing pools are easily retrofitted.

Rosehill Pools runs a full service business to compliment construction.

Openings, closing, weekly service, repairs, equipment and liner replacement all are handled by our service crew.
