## New bus service for Stouffville riders

BY HANNELORE VOLPE  
Staff Writer

You'll have improved bus service in Stouffville once September arrives.

York Region Transit has changed several routes and added three new ones. One is the new Route 415 which goes to the new Stouffville District Secondary School on Weldon Road in the morning and afternoon.

Another new route, No. 15, will provide

service along Hoover Park Drive and Main Street and to Parkview Village, the Lebovic Leisure Centre and the Eastern Gate retirement community.

It will provide one-way eastbound service from Hwy. 48 to Ninth Line and two-way service along Main Street between Ninth Line and Eastern Gate.

The bus will also take people heading to Wal-Mart to a bus stop on Hoover Park Drive, since the bus stop at Wal-

Mart will be taken out of service.

The Route 9 bus, formerly Route 9A Stouffville, will travel along Ninth Line between Parkview Village and Markham Stouffville Hospital.

All Stouffville route changes and additions come into effect Sept. 2.
