**Canada's Top 100 Employers 2007**  
FEATURED IN MACLEAN'S

**Resource Co-ordinator, RPMHCS**  
This full-time temporary (approximately 1 year) role with our Regional Psychogeriatrics and Mental Health Service (RPMHCS) will appeal to a professional with a history in psychogeriatrics, including Alzheimer disease and related dementias, within the long-term care (LTC) sector. Experienced in providing education and training to care providers, you will act as a resource to front-line staff in LTC facilities and community LTC agencies. You hold a degree in Health Sciences, Nursing, Social Work or equivalent, combined with specialized training in psychogeriatrics or mental health, and have knowledge of the PIECES training program. A background with program development, evaluation and research methodology will prove essential, as will experience with best practices related to the management of mental illness and dementias. This position offers an hourly wage range of \$31.09 to \$33.79. Job Posting LN7208

**Activationists**  
Consider one of these 2 casual/on-call positions to apply your 1 year of experience planning, organizing and delivering social, recreational, restorative and activation programs for residents of the long-term care (LTC) facility. You are an empathetic communicator and team leader with knowledge of restorative care concepts, as applied in an LTC setting. A relevant post-secondary certificate or diploma is also required, as is computer literacy utilizing MS Office software applications and the Internet. This role offers an hourly wage range of \$19.43 to \$21.12. Job Posting LN7206

# NORMERICA

## Authentic Timber Frame Homes

Manufacturer of distinctive Post & Beam/Timber-Frame Homes, Club Houses and Resort Lodges throughout North America and overseas. Normerica's energy-efficient and environmentally friendly homes offer enduring beauty and unsurpassed craftsmanship. Normerica is located in the Aurora area approx. 15 minutes North of Hwy.401.

Normerica currently has openings available for the following positions:

**Architectural Technologists / Production Detailers**  
Experience in Residential wood-frame construction design and working knowledge of, and ability to apply OBC Part 9 Post & Beam construction design experience would be a valuable asset. Candidates must possess excellent CAD skills with AutoCAD 2006.

**Estimator / Take-off**  
Knowledge of wood framing construction, OBC Part 9 coupled with strong AutoCAD 2006 and MSOffice skills (especially MSExcel). 2-5 years minimum in estimating, material quantity surveying and takeoff across a broad range of materials and components is essential.

**Structural Engineer**  
Preliminary engineering review of concept drawings through to structural review and design for permit and production shop and fabrication drawings for residential and commercial type building projects. Residential wood-frame construction design and Building Science knowledge are required. Strong communication skills in English are essential. Degree in Engineering (preferably Civil, Structural or Building Science) with P.Eng. status. Must be licensed to certify structural design in Ontario (willing to mentor an EIT with an appropriate background closely matching our needs).

**Senior Buyer**  
Provide all buying and supply chain support and coordination for our internal customers (shop and yard) and for contract specific requirements for our clients. While working in a project based manufacturing environment, the scope of support includes scheduling, planning and executing materials acquisitions, sourcing, developing and negotiating with suppliers, monitoring supply chain performance and driving improvements therein. College Diploma, CPP or CPIM designations and/or an applicable mix of training, education and experience are required qualifications.

**Production Help**  
Normerica's busy production facility requires enthusiastic, hard working, reliable employees who are willing to learn. Building and carpentry experience is required for some positions. For Production Help positions, send resume or apply in person at: 150 Ram Forest Rd., Gormley, ON L0H 1G0 (East of Woodbine Ave., south off Aurora SR)

Please e-mail your cover letter and resume to [info@normerica.com](mailto:info@normerica.com) or FAX to 905-841-9061.  
Thank you for your interest. However, only qualified applicants will be contacted.

### Hot Opportunity With Cool Company

Are you mechanically gifted; one of those people who can take an engine apart and put it all together again, just for fun? Do you have a clean driving record with a "DZ" license? Would you love to work with a thriving, growing one-of-a-kind organization that offers great learning opportunities, lots of independence and very steady work year round?

If so, we might be the ideal company for you, as long as you are:

- committed to getting the job done right;
- an excellent team player
- positive (whining and complaining isn't part of our environment)
- able to think independently and solve problems
- dedicated to excellent customer service
- willing to work flexible hours
- interested in being trained in a specialized and high value skill

We are N-TWO Cryogenics. We can safely say we are the coolest company around, because we cryogenically freeze pipes for faster, safer and less costly pipe repair. You will be trained in:

- delivery of liquid nitrogen and compressed gases
- pipe freezing
- shrink fitting (applying liquid nitrogen to metal parts)

Just as we are unique, so is our recruitment process. It is unlike others you have experienced, but you will find it very interesting. Just follow each step exactly as specified. But hurry, because we are moving fast. To begin, email or fax us your resume.  
Email: [info@n-two.com](mailto:info@n-two.com) Fax: 905-660-1635
