Hay bale artists can enter competition

Think you could fashion a sculpture out of straw? If so, you could be the next winner of the second annual Markham Fair straw bale competition. Contestants — anyone from Markham or Whitchurch-Stouffville can enter — must fashion a sculpture using square or round bales. Contestants put their creations on their front lawns, which can be a family project or business. Last year, the Mathieson family won using round bales to make a musical instrument.

First-prize is cash and ride all day fair passes. The contest closes Sept. 22. This year's fair takes place from Sept. 27 to 30. Go to www.markhamfair.ca or call 905-642-3247 for more information.
