

FALL NEW HOMIES

The Benchmark, Remington's exclusive Town Manors by Artist Rey Aguilá

A vision of an extraordinary life style.

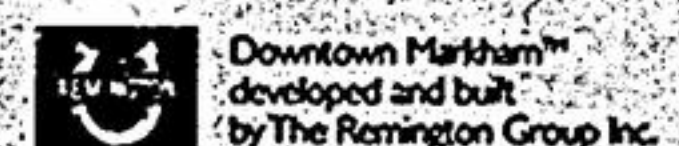

STATELY. REFINED. DIGNIFIED. OF COURSE. A LUXURY TOWN MANOR SHOULD EMBODY ALL THREE. But that's just the beginning: The Remington Group Inc. has a vision for Downtown Markham™ which includes 72 acres of green space and parks, in addition to the gently meandering Rouge River Valley along its northern border. And, with the intimacy of a small European city, café-life, luxe shopping and entertainment are all within a short-walk – and so can your work-life – as Downtown Markham builds on the area's reputation as "High-Tech Capital of Canada." Yes, an elegant life style begins with an elegant luxury Town Manor, **AND IN DOWNTOWN MARKHAM YOU CAN SETTLE FOR EVERYTHING.**
