

Walk on the classic side

Photography by Mike Barrett

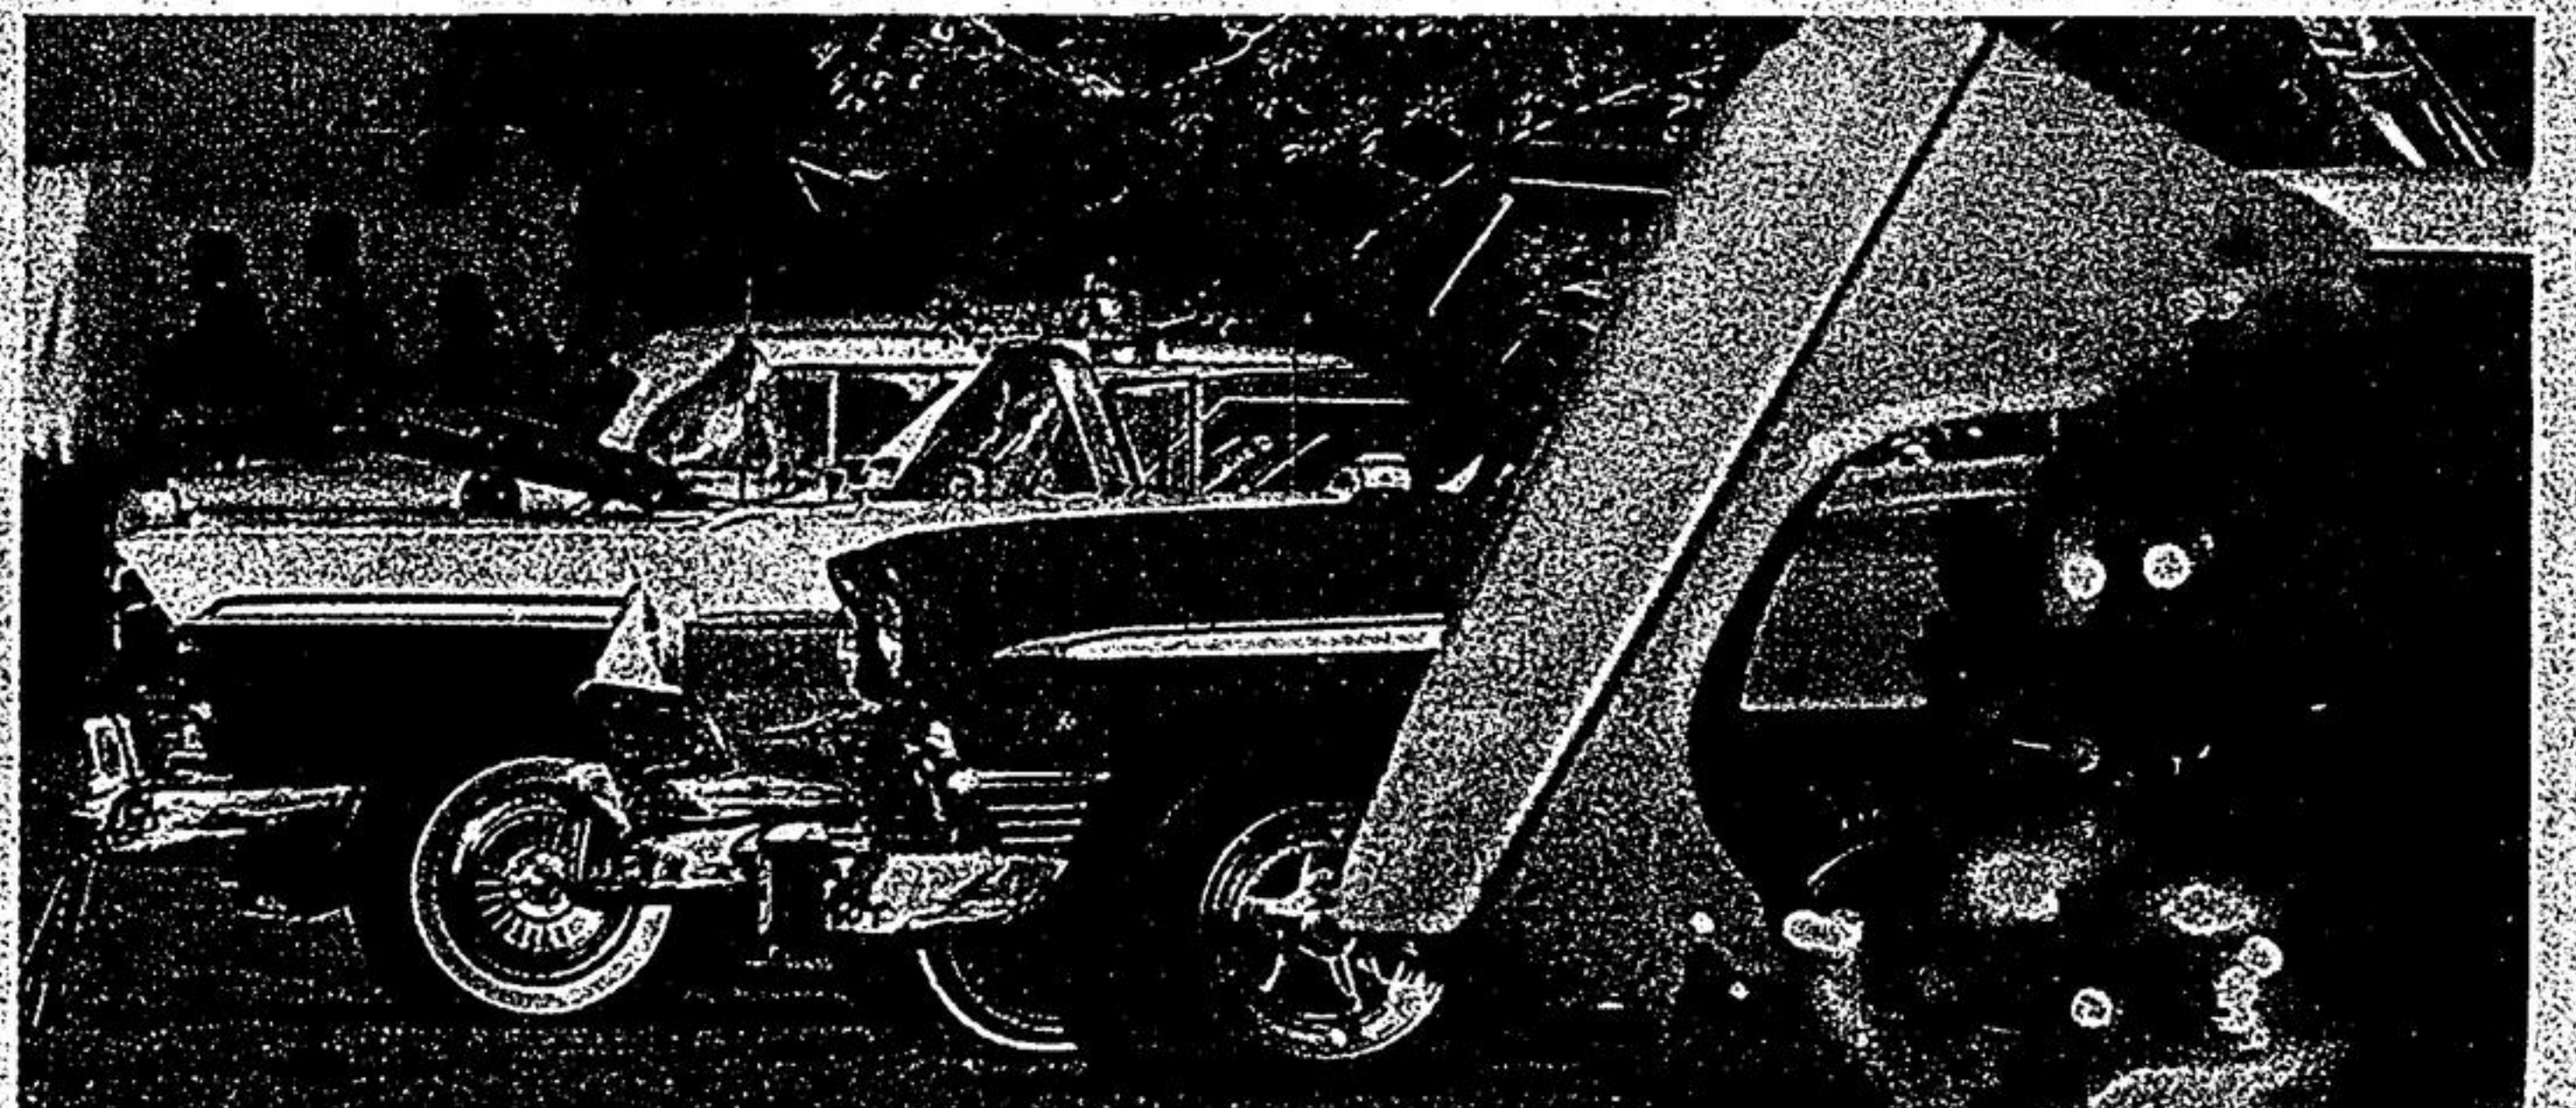

About 4,000 car fans took in Stouffville's Motorfest 2007 at Novopharm last Saturday. The show raised \$26,835 for Teen Challenge.

Michael Lebovic of Aurora leans proudly on his 1935 Auburn.

George Battle of Bradford shines the wheels on his 1957 Chevy Bel Air.

The lineup of 608 cars was down from last year due to early-morning rain.

Thinking of having laser treatment? It can be safe and effective.. but not all lasers are equal!

At MediSpa Clinic on Main, we have over 18 years experience with all lasers in Canada, the US and worldwide. Our staff is well-trained, experienced and certified, and we use only the latest technology and the newest, Health Canada approved devices.

Ensure that that the laser, treating your skin is approved for safe and long lasting results. Book your no-obligation consultation and see why laser treatments at MediSpa Clinic on Main will give you the results you want, safely and effectively.
