

## MAKING MUSIC

Greg Johnston (right), a songwriter for several Canadian Idols, and Tyler Kyte work on a song at a Songwriters Association of Canada retreat at Mysthaven Country Spa and Retreat in Whitchurch-Stouffville Tuesday. Other participants in the three-day event included Amy Sky and Josh Finlayson of the Skydiggers. Nine songs were created. For more on the association, go to [songwriters.ca](http://songwriters.ca)
