HAVE A CHANCE OF APPEARING ON ONE OF TWO HGTV HIT SHOWS, "Guess What – You're Moving Out!" or "My Parent's House"

Guess What – You're Moving Out!

is a new design reality series that gives adult kids the gentle but firm nudge they need to move out of their parent's home. Yes, it's time to toss the baby bird out of the nest and give them a fabulous nest of their own.

"Cutting the apron strings one design at a time."

My Parent's House

is a design makeover series, with a unique family twist. Adult children return to the family home to do something they have been dying to do for years; redecorate and redesign at least one room in their parents' house.

"Shaking up the suburbs and catapulting Mom and Dad's house into the 21st century!"
