## Toys for tickets campaign returns for parking blitz

A program that made Stouffville a media darling last year is back.

You can donate a toy instead of paying a \$35 parking tag from Dec. 1 to 10.

The program applies to the first 250 overnight parking infraction notices issued next month. Expect a blitz by bylaw enforcement officers again this year.

It's meant to make residents more aware of the importance of keeping vehicles off the roads overnight so snow and ice can be cleared properly.

Last year, the idea worked so well there were actually less cars parked overnight on roads.

About 25 per cent of people who received a parking tag chose to donate

a toy instead of pay the fine.

Last year, several newspapers and TV stations around the world carried stories.

The donated toys will be distributed to needy children by the Stouffville Lions Club.

You can't park your vehicle on any street in town overnight between 2 and 5 a.m. from the beginning of December to March 31.

Although the bylaw has been in place for several years, many residents, both long-established and new to the community, aren't aware of it.

Information on the program will also be available on the town's website at townofws.com

## Town offices taking holiday break

If you're planning to conduct business at the town offices around Christmas, you'll have to do it earlier or later.

And, if you're planning way ahead to January, keep an eye out for a changed council meeting date.

The Whitchurch-Stouffville municipal offices at 37 Sandiford Dr. will be closed from noon Dec. 24 until Jan. 5 when they re-open at their regular time of 8:30 a.m.

If there's an emergency, however, involving roads, sewers, water, bylaw infractions, animal control or parks and recreation emergencies, you can still call in to the town offices at 905-640-1900 for assistance throughout this period.

Staff use their floater holiday, vacation or lieu time for the days the offices are closed but not designated as holidays.

The practice, which has been in effect for a number of years, doesn't have an impact on customer service and communications, according to town staff.

When it comes to the town's council meetings, dedicated council watchers will be heading up to the fourth floor municipal offices on the third Tuesday of January (Jan. 15).

Ordinarily, council meetings are held the first Tuesday at 7 p.m. and the third Tuesday at 3 p.m. of each month. Public hearings are on the third or fourth Tuesdays at 7 p.m.

A calendar of council meetings is posted on the town's website at townofws.com

— Hannelore Volpe
