VOLUNTEERS NEEDED FOR DEPRESSION RESEARCH
 Are you feeling sad or depressed?
 Are you less interested in your usual activities?
 Are you having trouble concentrating?
 Are you less interested in intimacy?
 Is your energy level lower than usual?
 Have you lost your ability to experience pleasure?
 We are conducting a clinical research study of an investigational medication for the treatment of depression. Participation will include regular visits with our clinical nurses, weekly visits with a psychiatrist, blood tests and physical examinations.
 Eligible participants must be 18 years of age or older, in good physical health and not currently taking any psychiatric medications.
 If you are experiencing some of the depressive symptoms described above and want more information or wish to be considered for participation in this clinical trial, please contact:
