

2007 HOMES Record Breaking Year for the HOLIDAYS of Success!

On November 16 and 17th, ten homes throughout Markham and Unionville opened their doors to start the holiday season in absolute style. Designed by some of our best local designers, these homes showcased the latest styles in holiday decorating. On Friday evening, ticket holders were treated to a dazzling array of pomp and circumstance, followed by a stunning gala event hosted at the Varley Art Gallery. The evening included hors d'oeuvres and wine, entertainment and several chances to win some beautiful gifts generously donated by local companies.

Saturday's tour followed as a great success as ticket holders toured the homes and visited the designer boutiques at the Gallery to purchase décor items they had seen showcased. Tea and cake was served while visitors rested and bid on several complete dining sets available.

All this merry fun was had to support the Markham Stouffville Breast Health Centre and the Varley Art Gallery. In total, the event raised \$101,000 with half going to benefit each charity. On behalf of the Homes for the Holiday committee, we would like to thank all our designers, home owners, sponsors, and guests who joined us this year!

Happy Holidays!

Suzette Strong-Randall and John Ryerson happily receive each cheque for \$50,499.97 from The Homes for the Holidays Committee. From left to right: Suzette Strong-Randall, Karen Chadwick, Emma Girard-Uffren, Allan Bell, Betti-Ann Lavitt, Kate Seaver and John Ryerson.

We would like to thank our many generous sponsors, homeowners and designers who helped to make the 2007 Homes for the Holidays event such a success.
