

THE BENCHMARK

A vision of an extraordinary life style.

STATELY. REFINED. DIGNIFIED. OF COURSE.

A luxury town manor should embody all three. But that's just the beginning. The Remington Group Inc. has a vision for Downtown Markham™ which includes 72 acres of green space and parks, in addition to the gently meandering Rouge River Valley along its northern border. With café-life, luxe shopping and entertainment, Downtown Markham will deliver the intimacy of a small European City right in the heart of Markham. Yes, an elegant life style begins with an elegant luxury Town Manor, **AND IN DOWNTOWN MARKHAM YOU CAN SETTLE FOR EVERYTHING.**
