The RIGHT START means
FAR MORE than it costs!

Yes — with chicks the right start is mighty important! Your whole year's poultry programme (and profit) depends on getting your chicks away with a minimum of loss and a maximum of thrifty healthy growth. And here's the feed to do it — Purina Chick Startena. It contains Purina's last word in antibiotics and Vitamin B₁₂... produces even faster growth than the 1950 "model"... gets them off to a real flying start! Ask us for

Purina CHICK STARTENA

At present grain prices, you'll want to get your pigs away to market on as little grain as possible. Shorten your feeding period — balance your chop with

Purina HOG CHOW

PROTECTION

Most chick troubles spread through the flock by means of the drinking water. Keep it free of disease germs — just drop one Purina Chek-R-Tab in each quart you give them, the first few weeks.

CHEK-R-TABS

Want to save time... save work... save money... raise better calves? You can do all this by starting them on Purina Calf Startena. Ask the man who feeds it!

CALF STARTENA

If you're feeding steers, this Winter, be sure to ask us about Purina Steer Fatena. Helps out your grain, speeds gains, improves finish... saves money, makes money.

STEER FATENA

The choice of top kennels for quality and results, Purina Dog Chow is surprisingly low-priced. 1 lb. equals 3 lbs. fresh meat in food value. Take home a bag of
