

THE NEW 1951 BUICK offers Dynaflo automatic transmission as standard equipment on the Roadmaster series and as an option at extra cost on the Custom series. Buick marks its return to Canada after an absence of three years with completely new bodies, a new grille which flexes with the bumper, reducing the possibility of damage, the famed Riviera styling in certain models, new brakes, a choice of two new and more powerful Fireball engines and many mechanical features. Buick for 1951 offers a variety of models including a convertible and two "hard-top" convertibles. Shown here is the Buick Roadmaster Riviera "hard-top" convertible.

LEAPS FENCE, DEER BREAKS ITS BACK

Passengers on a Peterborough-Lindsay bound bus on Friday were about the first persons reported to have seen a deer at Cunningham's Corners which many thought had suffered a broken leg. Provincial Game Warden Fred Walton says that the animal was suffering from a broken back after leaping over a fence.

A passenger on the early-morning bus reported that a deer had apparently been struck by a car at Cunningham's Corners and had

suffered a broken leg. Constable McCartney called Provincial Game Warden Fred Walton, who had already been informed and was on his way to the scene. When he arrived he found that the unfortunate animal had broken its back in its leap over the fence. He, of course despatched it and dressed the carcass.

Mr. Walton says that it is not uncommon for this fate to befall deer especially when they are not being pursued but are foraging and leap over a fence to land on their front feet in a perpendicular position.

HURT WHEN THREE KILLED BY TRAIN WOMAN DIES

Lindsay, Feb. 10.—Injured in the train-car collision near Manilla which snuffed out the lives of three persons on Thursday, Mrs. Carrie Gostlin of Toronto died in Ross Memorial Hospital here.

Mrs. Gostlin, her husband and Mr. and Mrs. Timothy Strachan, also of Toronto, were on their way to a funeral of a relative near Lindsay when the car was struck by a feeder-line train at a level crossing on the Blackwater-Lorneville line.

CHARGED WITH HAMMER-SLAYING OF WIFE

E. B. Murphy, seen above, prominent in North Bay's business life until his retirement two years ago, is in police custody charged with the hammer-slaying of his wife. Charge was laid after 60-year-old Murphy, who is said to have led an unusually quiet life with his wife, Bella, walked into police headquarters to report death of his wife. Police found woman's battered body in basement of the Murphy home in one of the city's most exclusive residential districts.

The real test of self-control for a woman is for one to have an ailment like another woman is describing—and not tell her about it.

Excess fat is a matter of one's frame of mind, says a psychiatrist. If you're overweight, it must have been something you thought.

A man downtown broke must feel just like a woman without her powder puff.

BOARD OF ADJUDICATORS

Piano — David L. Gordon; Alexander McGowan, A.R.C.M. & L.R.C.M.
Vocal — Gene Edward, A.T.C.M., L.R.S.M.; David Tees, Toronto.

Two Canadians May Share In \$125,000,000 American Estate

Citizens of Galt, Ont., are speculating on whether "the world's wealthiest woman," Mrs. Matthew Astor Wilks, 80, who died last week in New York, leaving a fortune reputed to be \$125,000,000, bequeathed a share of it to two Canadian relatives, Mrs. Eugene Langdon Wilks, seen at right, a sister-in-law, and Wilks Keefer, a nephew by marriage. Mrs. Longdon Wilks, Swiss-born, mother of three daughters lives at Langdon Hall, seen above, a 100-year-old 1,500-acre estate in Blair, four miles north of Galt. Living on extreme end of estate, is Mr. Wilks Keefer, who, with his wife, spent many years in England before he returned to his home in 1947 to raise cattle.

The Need is Urgent

Join the **AIR FORCE** NOW

The need is great—the opportunities are great—for young men to train as skilled Aircraft Technicians! Join the R.C.A.F. today! You serve your country by helping to keep Canada's Air Force flying: you learn a specialized trade in aviation that will always be valuable to you!

There are immediate openings in the R.C.A.F. for men to train as:

-  **AERO-ENGINE,**
-  **INSTRUMENT,**
-  **ARMAMENT**
-  **AIRFRAME and**
- RADAR TECHNICIANS**

If you are between 17 and 40, are physically fit and have a Grade 8 education or better, act now! Find out where you fit in the Air Force team! Find out about the permanent employment, fine rates of pay, pension and other benefits of a career in the R.C.A.F.!
