

William Lundigan — Susan Hayward
Co-starring in "I'd Climb The Highest Mountain"

The finest family picture of the year comes to Markham for six days starting Monday, March 5th. Twentieth Century-Fox in its 25 years of hit making has filmed many memorable characters. Now in 1951, they bring you the story of an American backwoods town and its hero, Parson Bill Thompson. With this picture, another hit is added to the Hall Of Fame—another great portrayal to the list of those you will always remember!

"I'd Climb The Highest Mountain" is a tenderly unfolded, heart-warming story of a small backwoods town and of a two fisted minister who leads the way in making his community a better place to live in. But it's not the story of just one man and his family, it's about all folks—the good and the bad—the dramatic

things and funny things that happen to them. It's all about a real love, too, and fast stepping horses—horse-shoe pitchin' and Sunday School picnics. Its humor makes you laugh from the heart and its song hits are the all-time hits of yesterday—"In the Shade of the Old Apple Tree," "When You and I Were Sweet Sixteen" and "Silver Moon."

Filmed in technicolor, in the great screen tradition of "Trail of the Lonesome Pine" and "Stars in My Crown," it towers over even these pictures with the strength and stature of a giant. It has to offer an unforgettable and beautiful movie experience for the whole family—glorious color for the eye; deep spiritual conflict for the mind; rich humor for the soul; racing thrills and poignant romance to touch the heart.

Twp. Hog Producers To Visit Plant

At the annual meeting of the York County Hog Producers' Association it was decided to make a first hand study of hog marketing by organizing tours from each township to a local Packing Plant. The Canada Packers has extended an invitation to the members to visit their plant on St. Claire Ave. West during March.

At the request of the executive Agricultural Representative, W. M. Cockburn of Newmarket was asked to arrange for and assign the dates so every Thursday and Friday in March except Good Friday has been reserved for York County groups. The various township committees are asked to have a party of thirty-five or forty at the west plant at ten o'clock where they will be met by guides.

The forenoon will feature a study of a group of live hogs to be appraised before they are given a special tattoo for the kill. Part of the plant will be visited before lunch in the dining room as guests of the company. Following lunch, the party will see the rest of the plant, by which time the hogs studied in the morning will be hanging in the cooler for study and comparison on the rail.

To enable the township committees to keep their groups to the specified number it will be necessary for producers to contact a member of the local township committee for reservations.

Georgina starts the program on Thursday, March 1st and the chairman is W. J. Latimer of Sutton. Other members of his committee are Thos. O'Neill, Virginia and D. Sedore, Sutton. North Gwillimbury will have Friday, March 2nd and Bernard Davidson, Belhaven, is chairman of the committee with Allister Lockie of Sutton West and Jack Bosworth, Ravenshoe. East Gwillimbury and Whitechurch will go on March 8th and 9th respectively.
