## STIVER BROS.

Stouffville, Ont. Office Phone 45

Miss Mary Davis, daughter of Mr. and Mrs. K. R. Davis, Stouffville, who is employed in Sudbury with a large insurance company, is in hospital suffering an attack of jaundice, friends will regret to learn.

A car driven by Grant Pringle, 17-year-old lad from Markham, crashed a hydro pole on the 8th concession of Markham, early Sunday morning, according to Markham Township police. A passenger in the car, Harold Snowball, required medical attention. The boys had a miraculous escape from possible death, as the top of the car caught the big pole and was completely crushed.

Mrs. Jane Peddler, Toronto, a remarkable lady who celebrated her 100th birthday in April, was a Sunday visitor at the home of her great nephew, Mr. Morley Symes. Despite her great years, Mrs. Peddler's mind is quite active and she is able to move about by herself. Other visitors with Mr. and Mrs. Symes included Mr. and Mrs. Bob Black and child, and Mr. and Mrs. B. Rogers, all of Toronto.

The regular meeting of the W.M.S. was held in the United Church parlours on Thursday, June 14th. Mrs. F. Riches, president was in the chair. Report were read from standing committees. Mrs. Winterstein's group was in charge of the devotional which opened with an inspiring poem "Lord Teach Us How to Pray" read by Mrs. Winterstein. Mrs. Harris gave a prayer and a short talk on the value of worship and work. Mrs. Pipher's reading from the scripture was followed by a message in song by several ladies. Mrs. DeWitt gave a very comprehensive review of the seventh chapter of the study book "Japan Begins Again." Mrs. Gunn read a very challenging article by Norman Smith entitled "Three Worlds," emphasizing the danger of our indifference to the awful misery of the people in India. These conditions, he writes, are sowing the seeds of communism. The meeting closed with the Mizpah benediction. These meetings will be resumed the first Thursday in September.

### Fine Weather Prevails For Drumhead Service

Bright sunshine prevailed for the annual Drumhead Service in Memorial Park on Sunday afternoon, conducted by the Stouffville Legion. Rev. W. Surman, padre at Sunnybrook Hospital, delivered the address, while Rev. Douglas Davis, hon. padre of the local Legion, conducted the service. The scripture was read by Rev. F. Herman. The parade of veterans and members of the Governor General's Horse Guards, local unit, was led by the G.G.H.G. Band. Following the service the parade moved along Main St. to the Legion Hall, with Brig. Laurin O.B.E. taking the salute in front of the post office building.

### Garrett Evening Auxilliary

A bountiful pot-luck supper served in the basement of the Stouffville United Church, preceded the June meeting of the Garrett Evening Auxilliary which was held in the church parlours on Wednesday evening, June 12th. Mrs. M. J. Storey, president, presided. Miss Gladys Brooks gave the worship service, choosing as her theme "My Mission." "The stewardship of life is not as the world applauds," she said, "but as God approves. God has His plan for each one of us, and He will grant us strength and guidance to carry it through."

Mrs. C. Brillinger sang a beautiful solo "The Saviour is Calling for You." The last chapter of the study book "Japan Begins Again" was reviewed by Miss Eva Hoover. This chapter is entitled "Entering the Opened Door." The West is free again to enter at will. Is this to be used for vengeance or cooperation? Evangelistic work on a large scale is necessary if Japan is to be won in a Christian way. A very full report of East Presbyterian held at Uxbridge on Tuesday, June 12th, was given by Mrs. Delbert Booth. As this was the last meeting until September, Mrs. Storey spoke a few words of appreciation to all the members who had helped in any way to make this past year such a helpful and profitable one.

Stouffville Oddfellows Lodge has put their second hospital bed into service in the community, a creditable gesture. The two beds now available can be secured by anyone by contacting Sherman Arnold, Stouffville.

This Thursday evening in the Municipal Hall, will be held the annual meeting of the shareholders of the Stouffville Arena Company, at which time the current financial statement will be presented, general business dealt with including the election of company directors for 1951-52.

Hydro men of the Ontario Commission staff have been busy making the hookup at the west end of town for the heavy duty power line recently completed up the 9th con. of Whitchurch to Musselman's Lake. It was this work which necessitated the power shutdown last Thursday, and a second shutoff of shorter duration is anticipated this week to complete the job.

Possibly the trucker to come to the local Stouffville Sales Arena from the farthest distance in some time, was M. H. Magee of Orrville, near Parry Sound, who arrived in Stouffville for last Saturday's sale with a load of hogs and a quantity of maple syrup. Mr. Magee was quite pleased with the prices he received for his produce, and while in town called on friends, Lambert and Reg. Stouffer.

We were more than pleased last week to receive a letter from Cliff Salmon, former Stouffville resident, who with his family has recently returned from Australia, and is at present located in Montreal. Mr. Salmon wrote some interesting letters from the land down under, which were published in The Tribune last year. He tells us that he has not forgotten about writing some further travelogues, and Tribune readers will be anxiously awaiting publication of these.

Some five hundred children and adults from Temple Baptist Church, Toronto, enjoyed their annual Sunday School picnic in Memorial Park, Stouffville, on Saturday afternoon. Five busses and a number of cars were required to transport the large delegation of picnickers to town. The local park never looked better with the exception of the bridge at the foot of Burkholder St. which has been dismantled since last fall, and is an eyesore indeed. Practically every Saturday is gradually booked throughout the summer months by our park board by various churches and family reunion groups. The town has a park of which it can be justly proud, and one which draws continued commendation from outside visitors.

Mr. Lloyd Freel was successful in passing his second year Arts' exams at the University of Toronto.

Mr. and Mrs. Harmon Hoover spent the weekend with Mr. and Mrs. Archie Stover at Milverton.

This Sunday afternoon, June 24th, will be the occasion of the annual Decoration Service in the Stouffville Cemetery.

At least three homes in town which we know of have received complete new-paint exteriors this summer, with the lady of the house doing the brush-swinging. With the cost of labor what it is, plus the scarcity of local painters, many have turned to taking a hand themselves with the brush, and with very good results.

Mr. and Mrs. Reuben Middleton from Port Hope are spending some time with Mrs. Middleton's sister, Miss Effie Harding, eastend, Stouffville. Mr. Middleton is at present section foreman stationed at Goodwood, having recently been moved there when the branch line, Port Hope to Peterborough was closed out. The family is not certain yet of a permanent move.

The new water mains are all but completed on the Sanders subdivision just west of Lloyd Ave., and the line was hooked up down Rose Ave to O'Brien recently to give a complete circuit in this section of town and avoid dead-end mains which are always troublesome. The street grading and graveling is completed on this newest local sub-division, and gives quite a pleasing appearance when driving through.

The death occurred in the East General Hospital, Toronto, on Saturday last, of Margaret Jane Clark, wife of Morley Pugh, former Stouffville son, now on the staff of the Leaside fire department. Deceased was in her 41st year. Morley who is a veteran of the last war, is a son of Mrs. Pugh, and the late Alfred Pugh of Stouffville. He was born and raised here and the sympathy of many local friends is extended to Morley in his bereavement. The funeral on Monday was conducted from the home of Mrs. J. J. Carroll, Broadview Ave., Toronto, with interment in Goodwood Cemetery.

Last Wednesday evening the members of the Stouffville High School staff and their wives gathered at the home of Mr. and Mrs. Douglas Bacon, Church St., to honour the retiring principal, Mr. Louis Murphy. After a period of games, Mr. Davis, on behalf of the staff, presented Mr. Murphy with an engraved combination cigarette case and lighter. The gift was accompanied by the following address:

"Dear Mr. Murphy,  
We have taken this opportunity of expressing, individually and as a staff, the deep appreciation we feel for your leadership and your tolerance of our many shortcomings. Your generous attitude and your ability to organize has made our task much more enjoyable.  
As a token of this appreciation, we ask you to accept this gift. With it goes our sincere best wishes to yourself, Mrs. Murphy, and your family.  
Sincerely,  
The Staff."
