The inimitable elfin antics of Jimmy Durante will headline the 1951 Grandstand extravaganza at the Canadian National Exhibition, Aug. 24 to Sept. 8, this year. The popular Schnozzola should continue the ONE record of sellout crowds for the past three years in the 26,000-seat Grandstand.

New Wall Enhances Ground Appearance

The major development under way at Cedar Beach this season is the new cement block wall stretching some 1100 feet from the edge of the

parking lot to the lake. This wall although still under construction at the present time will be entirely completed for next season. A few of the

many hundreds of cars can be seen in the nearby parking lot Mr. Davies' new rock-faced wall does much to enhance the appearance of this fine park.
