The regular monthly meeting of the Garrett Evening Auxiliary of the Stouffville United Church was held in the church parlours on Wednesday evening, Nov. 14. Mrs. J. M. Storey, president, presided.

The worship service was conducted by Miss Margaret Hosie. Her talk "Putting God into National Life by the Family Altar" was preceded by singing as a prayer "Breathe on Me Breath of God." She said that from early cave times the people wanted a form of worship. We have tried everything else, so now try God in our life. As our homes are, so is the nation.

Misses Shirley and Roberta Bone sang a duet.

Mrs. R. Winterstein reviewed part one of the study book "From Lakes to Northern Lights." The forming of the United Church of Canada was a new day for Home Missions. Canada is a land of expanding frontiers, and the needs of the frontiers led to church union. We know too little about our country, its people and resources. It is a land of many nations. Each Sunday a service is conducted in 19 different languages. Varied is the work carried on by Canadians from the fisherman of Newfoundland to the lumberman of British Columbia. One half of Canada's population is rural and this is where the work of Home Missions is mostly carried on. Mrs. Winterstein closed her remarks with the poem "God Builds No Churches."

November is the birthday month. Miss Eva Hoover read of important events in each month, then paused for the members to put an offering in an attractively decorated birthday box.

After the Hebrew Benediction a social half-hour was enjoyed.

Give The Tribune for Christmas—it's a full year's enjoyment.

Keep in mind that Santa Claus arrives in Stouffville for his annual pre-Christmas visit on Saturday, Dec. 1st.

Have you tried a Tribune handy pad for use in your home or office. They're very reasonable and most economical in large quantities.

Mr. and Mrs. K. Carmichael and son Randy and Mrs. J. Massey of Oshawa spent Sunday with Mr. and Mrs. Geo. T. Lee.

Mothers—please take note that because of the holiday season next month, there will be only one Mother-Craft Clinic on Tuesday, Dec. 18, at the usual time, 12.30 to 4.30 in the afternoon.

The annual Commencement Exercises of the Stouffville High School are being held in the Legion Hall this Friday evening, Nov. 23rd, commencing at 8.15. In addition to the presentation of diplomas and academic awards, also athletic trophies, several musical numbers will enhance the program. Rev. Douglas Davis will be the guest speaker of the evening.

Members of the Stouffville Bakery staff were entertained by the proprietors to dinner at the Mayfair Restaurant on Wednesday evening, following which the group took in the Royal Winter Fair. The Stover firm took this occasion to honour one of their long term employees, Mr. Jos. Gayman, who has been with the Bread Company for twenty-seven years. Mr. Gayman was presented with a fine lounge chair in recognition of his years of service.

Members of the Stouffville Institute chartered a bus on Wednesday and travelled as a group to the Royal Winter Fair.

Mr. and Mrs. A. W. Turner and Mr. and Mrs. Walter Brillinger have returned from a motor trip which carried them to Quebec and Montreal.

Constituents of East York riding and those residing in the Stouffville polling sub-division kindly note that the No. 1 poll will be held at the K. R. Davis store on Main St., not at his home as stated on the Proclamation poster.

Thirteen members on the staff of the Goldfish Supply Co. in town were treated to a dinner at the Chez Paris in Toronto on Wednesday night of last week. The group then attended the Ice Capades at Maple Leaf Gardens later in the evening.

Friends will be pleased to learn that Lloyd Brown, former resident, now in Toronto, has returned to his home following a sojourn in hospital. Mr. Brown suffered a stroke some time ago and has been hospitalized ever since. He is now able to enjoy his meals again and his health is improving although he is using a wheel chair at present.

Mrs. W. A. MacMonagle, who has been in town for a time with her sister, Mrs. Effie Kester, east end, left Stouffville this week for Detroit where she will spend the winter, returning to a summer home at Lake Simcoe in the summer. Mrs. Kester is enjoying comparatively good health for her more than eighty years, although failing eyesight has forced her to forgo the pleasure of reading.

Several discrepancies appeared in a news item carried in The Tribune and other weeklies and daily papers last week concerning a minor accident which occurred on the townline west, recently. The accident occurred at the corner of the 5th con. as one of the Stouffville School buses was entering the townline. Mr. Frank Harvey, driver of the bus, states that he was slowed down in making the turn by the heavy snow. The collision which followed with a gravel truck did not overturn or ditch the truck as stated previously in newspaper accounts.

RINGWOOD

A delightful double shower was held last Wednesday evening at the home of Mr. and Mrs. Ed. Lawrenson in honor of their sons, Jack whose marriage to Miss Dorothy Clark of Markham took place in late October, and Wilfred whose marriage to Miss Lorraine Kirby of Markham will be an event of this Saturday in Bloomington Christian Church.

Little Miss Donna Lee is home after undergoing a tonsilectomy in the Toronto Sick Children's Hospital.

Mrs. James Oldham was a Toronto visitor on Tuesday.

Ringwood church basement is progressing splendidly, the walls and floor now being completed, and the furnace will be installed this week making the church more comfortable for next Sunday, although no services have been cancelled, heating having been accomplished by a large coal and wood stove. Many work bees have been held with splendid co-operation from interested members; and most of the pledges have now been paid.

Prize Quilt Displayed by Altona Institute Secretary

The Altona Women's Institute stepped into the spotlight at the Central Ontario Convention held in the Royal York Hotel, Toronto, by being presented with the first prize award for their quilt which they as a group had spent so much of their time in preparing.

Eighteen districts representing 238 branches from over Central Ontario attended. Such counties as Dufferin, Grey, Ontario, Peel, Peterboro, Victoria and York were all competing for the first prize award.

Sunderland took 2nd prize while North Ontario and Burwick, West York were tied for the third prize. Mrs. F. Goudie

is the president of the organization and Mrs. M. Dunkeld holds the position of secretary. The club has a membership of 47 and hold their meetings at the homes of the different members once a month. Mrs. Dunkeld is shown here proudly displaying the winning handiwork.

WEDDINGS

BROWNSBERGER-BRUBACHER

A quiet wedding was solemnized Saturday evening, November 17th, at 8 o'clock, when Elma Brubacher, daughter of the late Mr. and Mrs. Noah Brubacher, of St. Jacobs, became the bride of Joseph Brownsberger at his residence, concession 9, Markham Township. Rev. Floyd Smucker of Markham officiated.

The bride wore a street-length dress of pink nylon faconne crepe and carried white snapdragons and fern. Mrs. John Dike as bridesmaid, chose pale blue crepe and carried pink snapdragons and fern. The best man was John Dike, nephew of the groom. A reception was held following the ceremony at the groom's home.

For travelling, the bride was dressed in a light blue fur-trimmed coat with navy accessories. On their return the happy couple will reside near Monégolia.

An interesting note about this wedding was that the groom was married the same day his uncle, Jacob Brownsberger, celebrated his 100th birthday in Deloraine, Manitoba.

Stouffville Nomination meeting will be held in the Municipal Hall this Friday evening. Nominations received from 7.30 until 8.30 p.m.

Do You Know?

Amendments to the Municipal Act this year included one which provides that on nomination night, when a proposed candidate for any civic office is not present, he must file with the clerk his written consent to be nominated, otherwise the nomination paper will not be in order.

Another amendment is that when a candidate is nominated for more than one office he must resign from one or the other that night before nine o'clock, otherwise he will be deemed to be a candidate for the first office for which he was nominated.

President of Soroptimists at B. & P. Club Dinner

"Women are shy of ladders," stated Miss Grace L. Nicholls, president of the American Federation of Soroptimist Clubs, in her address at the National Night dinner of the local club on Monday evening. Miss Nicholls advised women to start at the bottom and climb political ladders. She said there were no signs on these ladders saying "For Men Only." Having been introduced by Mrs. Viola McCreight, 2nd vice president, the speaker gave a brief review of some of the aims and projects of some Soroptimist Clubs telling about the eye bank started by a group in the Southern States. Miss Nicholls said a service club should "comfort the afflicted and afflict the comfortable" and gave this description of a club woman—"a club woman is a woman with a club which she uses to batter

down intolerance, combat ignorance and polish up community untidiness."

The toast to the Federation by Mrs. E. Malcolm, past president, was responded to by Dr. Margaret Bailey who is associated with the Women's College Hospital. In her reply Dr. Bailey stated some of the things B. & P. club women brought about, such as the franchise for the women in Quebec and recently in Ontario, equal pay for equal work for women.

Members of the local C.G.I.T. group did a real Canadian Square dance and sang "The Maple Leaf Forever." In keeping with the national theme the hall was decorated with the emblem of the club, maple leaves and yellow mums and yellow and green candles—the colours of the club.

Some of the head table guests were Rev. D. Davis, representing the clergy of the town, Principal George Pearce of the High School, and Reeve Henry Ogden, as well as Mrs. Ethel Armstrong Collins, a nurse connected with the Radium Institute, and Dr. Bailey. Both Mrs. Collins and Dr. Bailey have been guests of the club on previous occasions.

There were representatives from the Markham-Unionville and Richmond Hill Clubs along with a few members of the local Lions Club. In all, over sixty guests sat-down to the delightful dinner and enjoyed the interesting address of Miss Nicholls.

Miss E. Rae, on behalf of the club, voiced appreciation to the speaker and said how true it is that "great oaks from little acorns grow." As Dr. Bailey told the group, there are now Business and Professional Women's Clubs in nineteen different countries with approximately a half million members. The aim of these clubs is to promote the interests of business and professional women.

MOLASSES
