## IN MEMORIAM

**CARTER**—In loving memory of a dear mother, Mrs. Jos. Carter, who passed away Dec. 30, 1949. Sweet memories will linger forever. Time cannot change them. It's true; years that may come cannot sever our loving remembrance of you. Sadly missed by daughter Bertha.

**HAM**—In loving memory of a dear mother, Hattie J. Ham, who left us one year ago Dec. 22, 1950. So many things have happened since you were called away. Things you would have enjoyed if you were left to stay. So many things to share with you in just the usual way. We cannot buy the old days back, your hands we cannot touch. But God has given us wonderful memories of the one we loved so much. Daughter Marie and Donald McCullough, Frances, Jimmy and Eunice.

**JOHNSON**—In loving memory of a dear husband and father, Wesley H. Johnson, who passed away Jan. 2nd, 1949. Remembrance is a golden chain. Death tries to break, but all in vain. To have, to love and then to part is the greatest sorrow of one's heart. The years may wipe out many things but this they wipe out never. The memory of those happy days when we were all together. We cannot, Lord, Thy purpose we see, But all is well, that's done by Thee. Lovingly remembered by wife Nettie, daughter and son-in-law, Lorna and Ken.

**NOKES**—In loving memory of a dear husband and father, Frank Nokes who passed away suddenly at Glen Major on Dec. 26, 1947. The blow was great, the shock severe. We little thought the end was near; it is only those who have lost can tell. The sorrow of parting without a farewell; But God is good, He gave us strength to bear our bitter cross. He is the only one who really knows how bitter is our loss. Lovingly remembered by his wife Dellma and sons George, Bobbie and Dennis.

**TWEEDIE**—In loving memory of our dear mother, Euphemie Tweedie, who passed away suddenly Dec. 22, 1950. No farewell word of comfort, No time to say goodbye, God took her in a moment To the land of rest on high. Sadly missed by husband and family.

## Students Find Hard Work Brings Reward

Transformation of their school's half acre wood lot from a weed-grown waste to a trim reforested area, brought top honors in province-wide competition of Ontario Horticultural Association to enterprising students of Sacred Heart school at King, Ont. Led by their diminutive but enthusiastic teacher, Sister Mary Fleurette, students held a two-week weeding bee last fall, then replaced dead trees in the lot with new ones from Ontario Department of Forestry. Display of leaves of Ontario trees, held by Dorothy O'Reilly, above, helped the school to win coveted top place in competition.

## Happy New Year Everyone!

During the holiday season when the home is garlanded with colored electric lights on wreaths, mantles and the Christmas tree, informal entertaining seems to fit any occasion. Buffet meals can be most successful when planned informally. Buffet parties are easy to plan and they are probably the favorite of the men. The buffet table should have continuity in arrangement so that the guests may wait on themselves as they move along the side of the table. If the room is small, push the table against one wall and place your flowers and candles against the wall rather than in the centre. Decorations will then provide an attractive background for your serving dishes. Stack plates in one or two piles at the end of the table and the silver in parallel or V-lines on either side of the plates. Next to these place the napkins folded in a relatively small shape. The dishes of food are arranged according to their shape and color. However, bowls of sauce mixtures should be placed at the edge of the table for ease in serving. Many hostesses feel it lends a gracious touch to ask a friend to preside over the main dishes. In any event she will do well to designate a hostess to pour tea or coffee or serve punch from a side table. All of this brings us to the most important point of these food itself.
