

## The new area Stouffville's gain

Vivian Forest - hundreds of acres of Scotch Pine, Carolina Poplar and Black Locust.

Musselman's Lake - the resort centre for cottagers every summer. This location is Cedar Beach.

Industry - the huge Jespersen-Kay Systems Limited Plant, Bethesda Road, north of Stouffville.

### Township of Whitchurch

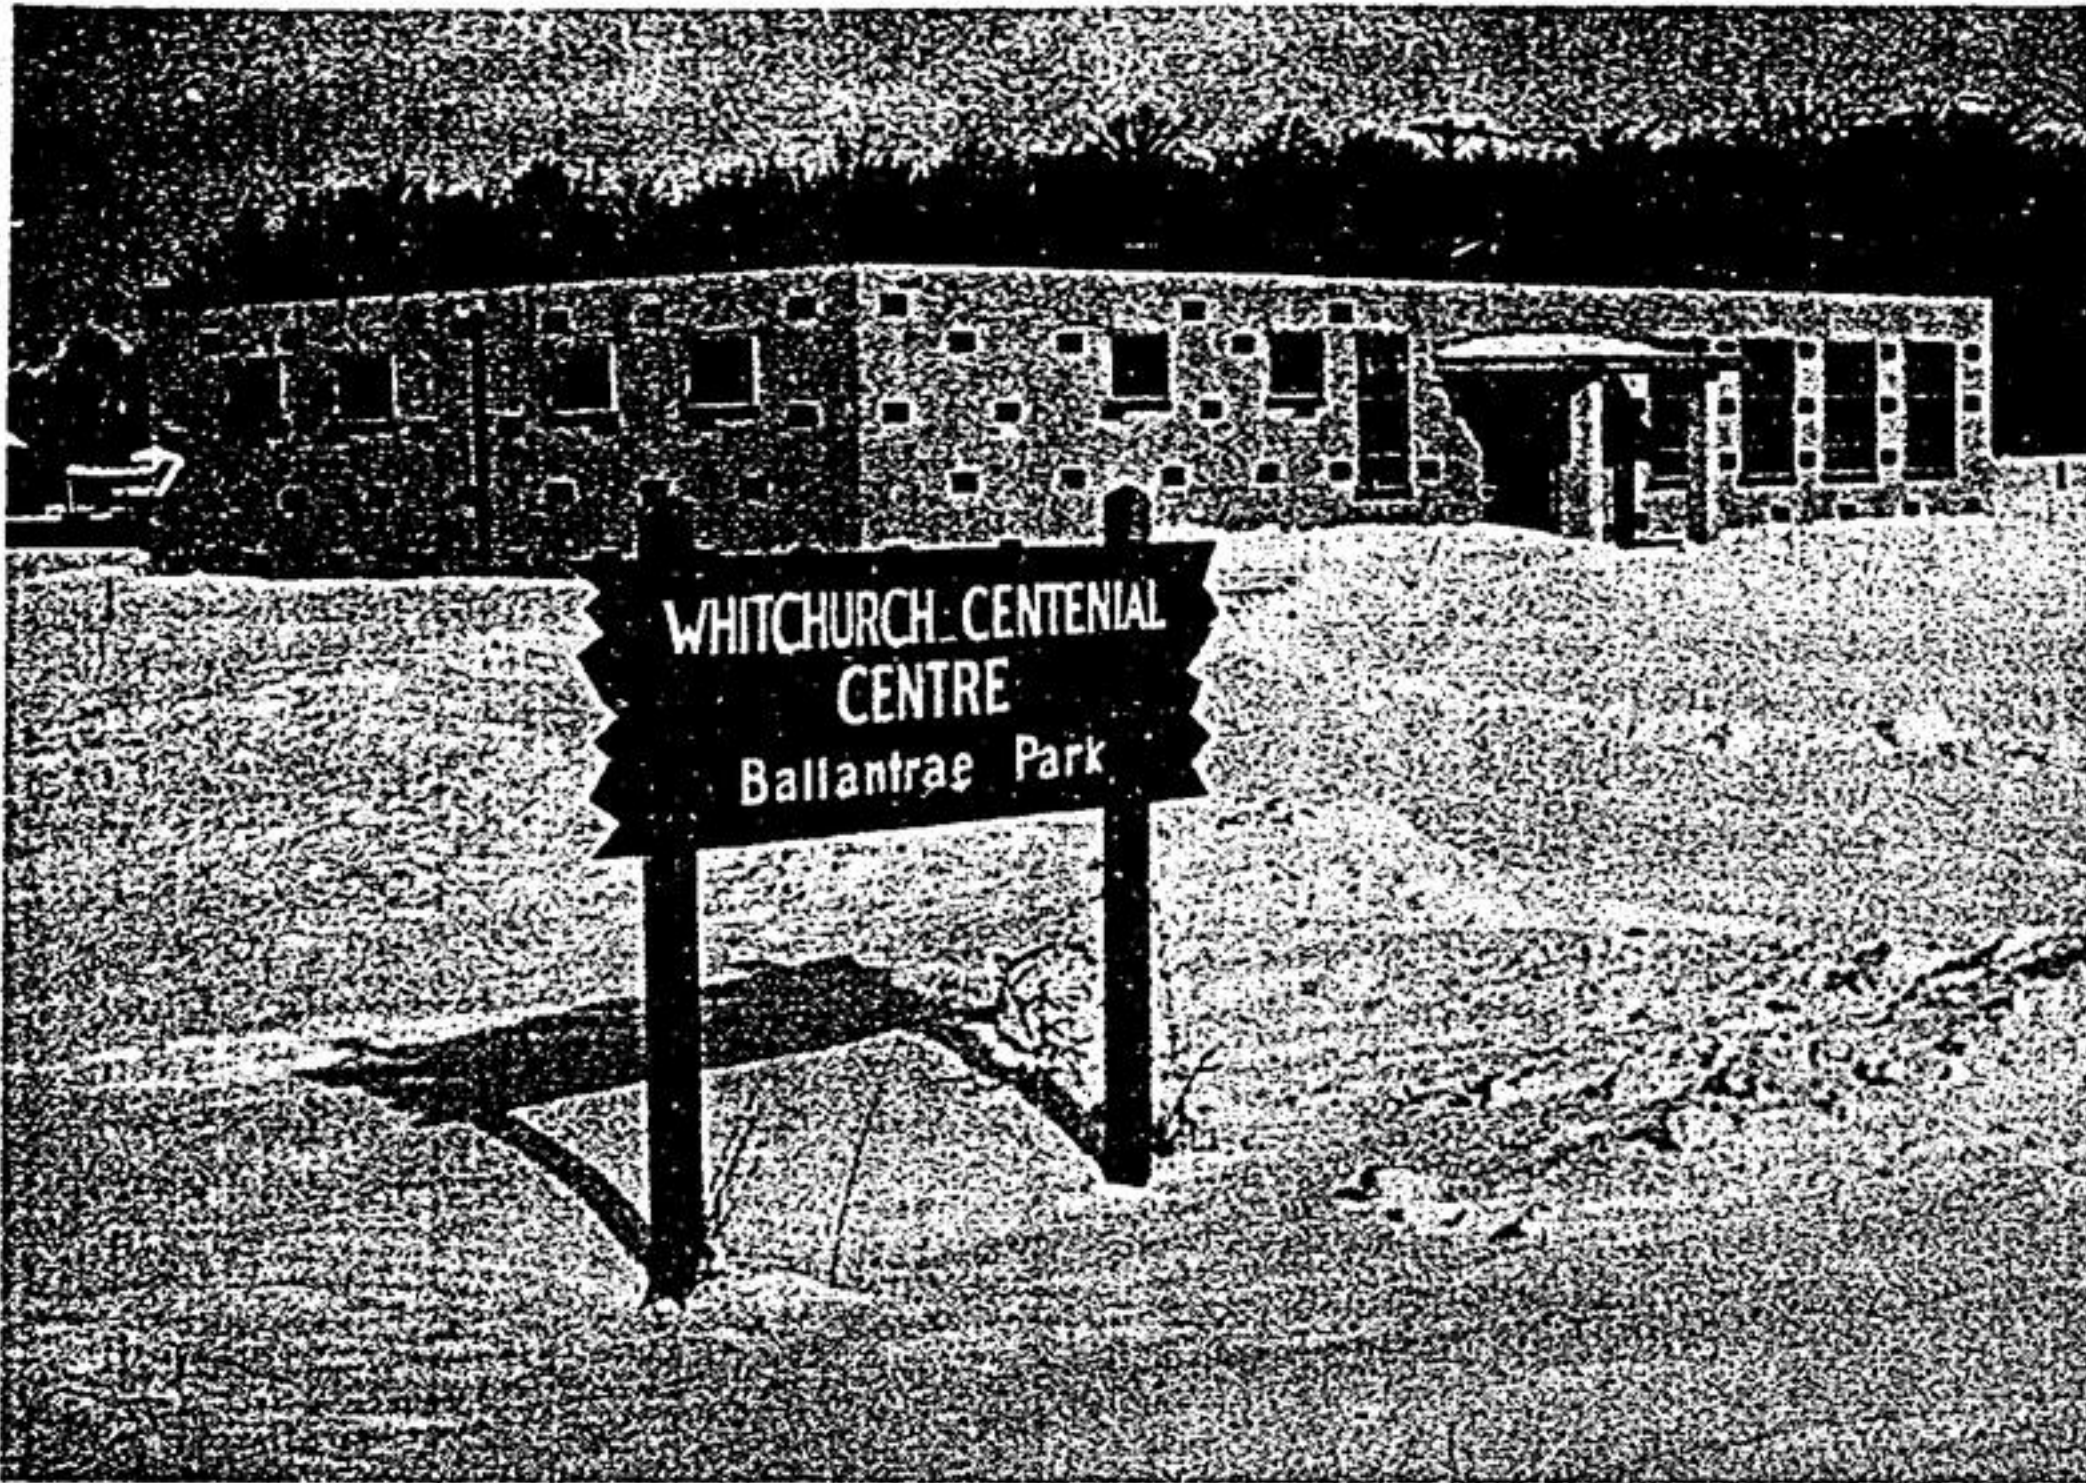

Brings to the new Area a country atmosphere of close co-operation often lacking in urban regions.

The population of Whitchurch-Stouffville combined is 9,500.
