Mr. and Mrs. Ray Godber sign the register following their wedding, Jan. 2, 1971 in the Stouffville Missionary Church. The bride is the former Erma Gwendolyn Stouffer, daughter of Mr. and Mrs. Lambert Stouffer, Stouffville.

Lovely church wedding

STOUFFVILLE Standards of white gladioli and white mums formed a pretty setting for the candle-light service at the wedding of Erma Gwendolyn Stouffer, Stouffville, younger daughter of Mr. and Mrs. Lambert Stouffer, and Ray Godber, Chesterfield, England, in the Missionary Church, Jan. 2, 1971 at 5.30 p.m.

Rev. John Hamilton performed the ceremony and Miss Bertha Stouffer, aunt of the bride, played the wedding music. Mr. Kenneth Miller sang the 'Lord's Prayer' and during the signing of the register, the 'Wedding Prayer'.

Given in marriage by her father, the bride looked lovely in a full-length gown of off-white European brocade with shoulder length veil caught with Lily of the Valley headpiece. She carried a cascade of white carnations and red sweetheart roses.

After a brief honeymoon, the happy couple left for Castor, Alberta, where the groom has joined the staff of the high school there.

Music Mania '71

Start choir rehearsals

STOUFFVILLE Music Mania '71 - the show is on the road. The first choir practice, Jan. 20, attracted more than 40 participants with additional promised voices to bring the number up to fifty.

Lorne Boadway is again in charge of music; Molly Mumford, director of choreography and the orchestra leader, Jerry Waite.

Choir rehearsals are

Peggy Topping

held every Wednesday evening in the United Church at 8 p.m. For new residents of the community, Music Mania is a Stouffville institution, that dates back to 1960. Many of the originals are still with the cast.

While the nucleus of the talent still comes from the United Church Couples Club, the boundaries have been extended to include adherents of all denominations.

Proceeds, that have totalled up to \$1,500, are donated to some worthwhile community or charitable cause.

Bad connection

WHITCHURCH TWP. - Bell Telephone employees, investigating a complaint about an out-of-order phone, soon located the problem.

A line leading to the home on the Whitchurch-Uxbridge townline was missing all 10,000 feet of it. The copper connection, valued at \$265, had been stolen.

This marks the third

such theft in the area in four weeks.

Police are continuing their investigation in an effort to track down the culprits.

In total, 30,000 feet has been removed.
