

## 'The Harmonaires Quartette' On Barrie television

By Evelyn Milsted  
**GORMLEY** - The Harmonaires Quartette, well-known in the Gormley community, may be seen on Channel 3, Barrie, every Saturday at 12:30 p.m. They sing the inspirational number on the program 'Make Mine Country'.

Mrs. and Mrs. Eric Baker have a new granddaughter, Martha Christine, born Jan. 29 at North York General Hospital. Proud parents are Bill and Karen McIntosh.

The community welcomes Mrs. Romaine Jones of Sutton, Quebec, a resident of Bridlewood Farm on the 3rd concession of Whitchurch, owned by Mr. Henry Piebroch.

Miss Belle Armstrong visited with Mrs. Beulah Jones.

Mrs. Doug Reid of Barrie was guest of honor at a miscellaneous shower Saturday at the home of her aunt, Mrs. Roy Brillinger.

This is your invitation to attend a miscellaneous shower for Miss Reatha Steckley on Tuesday evening, Feb. 23 at Victoria Square hall. Mr. Allan Hoover visited with Rev. and Mrs. Gordon Johnson at Wyevalle recently.

Mr. and Mrs. Donald Hallman surprised Rev. H.S. Hallman when they entertained a number of friends at

a buffet supper Sunday in honor of his birthday.

The 4-H Homemaking club will soon be starting their Spring Project, 'A Place for Everything'. All interested girls, 12 years and older are asked to call Mrs. John Brown, 773-4074.

Mr. and Mrs. Jos. Sider entertained several relatives at a pot luck supper.

Mrs. Carl Emsley, who lived for a short time where Mr. and Mrs. Roy Brillinger now reside, passed away at Riverdale Hospital last week.

Donna and Margaret Bolender of Bethesda had supper Saturday with Charleen Milsted.

Mr. Ernest Harvey has been confined to York County Hospital, Newmarket, for some time. He recently underwent surgery.

How about sending him a card or visiting him in hospital?

Rev. and Mrs. Harvey Sider and children of India had Sunday dinner with Mr. and Mrs. Roy Brillinger.

Gormley Women's Institute held their Jan. meeting at the home of Mrs. Jack Swindells, with twelve ladies present.

Mr. and Mrs. Don Sproxtion of Toronto had supper Saturday with his parents, Mr. and Mrs. Russell Sproxtion.

Emmanuel Bible College students, and

staff, will present both services on Sunday, Feb. 14, at Gormley Missionary Church. Rev. Harvey Sider of India spoke at Heise Hill Brethren in Christ Church Sunday morning.

The Heise Hill Sr. Women's Sewing Circle met at the home of Mrs. Edgar Stickley.

Rev. and Mrs. H.S. Hallman visited her sisters in Listowel and his parents in Warton.

### Attend funeral at Oshawa

By Lillian Jamieson  
**BALSAM-MT. ZION** - Mr. and Mrs. Burnett Jamieson attended the funeral services Saturday for Mr. Archie Britton of Oshawa.

Mr. and Mrs. Glen Manderson were guests at a party, Saturday evening, at the home of Mr. and Mrs. Dick Ward in Clarendon.

Mr. and Mrs. Jack Empringham enjoyed Sunday evening supper with Mr. and Mrs. George Empringham, Brooklin.

The Active Service Class will meet Feb. 17 at the home of Mrs. Lorne Jones.

A speedy recovery is wished for Mrs. Charles Fiss.

Kelly Hewson of Varley Village, Unionville, scored first, Jan. 30 in the pre-junior girls' class, Inter-Club figure skating competition at Unionville. — Jas. Thomas.

### Wedding anniversary

By Ada Steckley  
**RINGWOOD** - Congratulations to Mr. and Mrs. Almer.

Fockler on the occasion of their 47th wedding anniversary, Feb. 1.

Mr. and Mrs. Ed Brownsberger and Mr. Gordon Holden enjoyed supper Sunday evening with Mr. and Mrs. Herb Yakeley.

Kinette Dance  
The 5th annual Stouffville Kinette Club dance will be Friday evening, Feb. 12, at Cedar Beach Gardens, Musselman's Lake. Tickets are available from members or at the door.

## Century City Mistake - who must pay?

By Donald M. Deacon  
**M.P.P.,  
York-Centre  
YORK-CENTRE**  
The recent, alleged encouragement given Revenue Properties by five Ontario Cabinet Ministers to launch the "Century City" project in early 1968 is cause for a full explanation. The Ministers are said to have stated there was no plan before the government which would preclude the plan from proceeding. Attending the meeting were the Hon. Darcy McKeough with his Deputy Minister, W.H. Palmer, the Hon. Charles MacNaughton, the Hon. Stanley Randall, the Hon. George Gomme and the Hon. John Simonett.

It is difficult to condone several aspects of the meeting. First, the Provincial Ministers concerned ignored the existing planning authorities and chose to deal directly with private developers. Secondly the construction of a major development between the communities of Stouffville and Goodwood would

completely disrupt the plans of the former municipality and Uxbridge Township and ignore the important planning principle of expanding on existing centres of community interest and strength. Third the development was well off existing and projected highway arteries which would be required for such a major centre. Fourthly the plan completely contravened the then existing O.W.R.C. ban on large upstream sewage plants. And lastly, even though the Toronto Centred Region Plan was not yet completed the

preliminary MTARTS strongly favoured a band development concept along Lake Ontario. Who is paying for these costly mistakes? It is the farmers who have sold out their properties and now may have to re-establish themselves. It is the shareholders who have seen the

value of their shares decline to almost zero. It is the public who must pay nearly 750 million annually more for building lots because the province has not launched a well financed, soundly based programme to overcome the acute shortage of building sites in the Toronto Centred Region.

### Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most important of all—results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

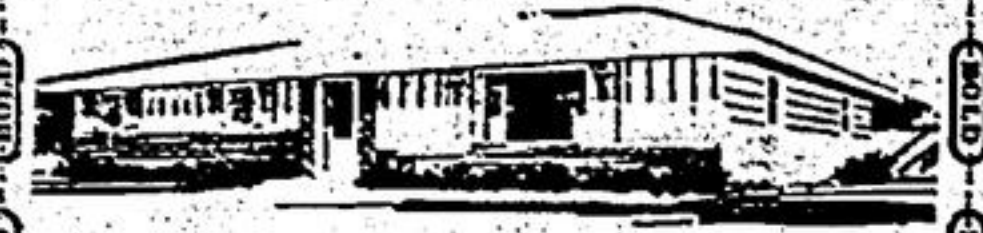

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

District Deputy  
Governor Jack  
Chapman of Aurora,

It would be worth more because that sleeker means your new car is rustproofed by Ziebart. The people that have been protecting new cars from corrosion and rust since 1953. Ziebart Auto-Truck Rustproofing has inspired a lot of imitators. But we're still the only ones that can keep our promise to protect your entire car from rust. And back up that promise with a written 10 year guarantee.

**Understanding rust.**  
In order to understand why and how Ziebart's rustproofing is the best, you must first understand rust.

Rust is caused by the reaction of air and moisture on metal. And the most dangerous rust begins on the inside of your car, in the hidden, hollow areas.

It is a popular misconception that salt causes rust. Although salt will accelerate the rusting process, it cannot cause rust by itself. Many people believe that keeping a car in a heated garage or washing it regularly will help to combat rust. The opposite is true. Melted ice from the outside of your car and the water used in a car wash both seep down into critical hollow areas and cause the car to rust even faster.

Now that you understand the basics, you can see that in order to prevent rust, you must coat every critical area with a chemical barrier that stops the moisture from getting to the

### There. Now your new car is worth more.

metal. It is an exclusive chemical barrier like this, that the Ziebart process is based. **How Ziebart does it.**

In order to get at every critical area, Ziebart first drills small holes at strategic but inconspicuous spots around the car. Then long nozzles are inserted into the holes to spray the entire area with our special sealant, by hydrostatic pressure.

The Ziebart sealant is a special patented formula developed by us. It will not crack or peel, is chemically adhesive to metal, is liquid enough to seep into every seam and crevice, remains pliable for permanent protection, is an insulator, will withstand dirt, water and salt, and will never harm plastic, rubber, glass, paint or upholstery.

Our process is so thorough that we guarantee your car will not rust through for ten years, no matter how many miles you put on it, if you have it Ziebarted before it's driven 3,000 miles.

**The benefits.**  
Having your car Ziebarted means it will be worth more. It's simple to see that a car dealer will be prepared to give a considerable amount more for a car in near new condition

than for a rusted out piece of junk at trade in time.

The Ziebart process makes your car safer. Although you can't see it, rust on a three or four year old car has already begun to eat away at vital mechanical parts like the hydraulic brake lines.

If you give your car to your wife when it's three or four years old, it could very well be a deathtrap because of the rust that's been building up over the years.

And lastly, Ziebart can give you the opportunity to drive a new looking car for a lot longer than you thought you would. There's little reason to trade a car in when it's three years old, if it's still looking as new as the day you bought it.

Your car is you. Your car reflects the kind of person you are. And if you're about to buy a new one, you have a choice.

You can forget what you've just read and let rust start destroying your \$3,500 investment the day you bring it home. Or you can call Ziebart.

You'll find a Ziebart dealer in the White pages under "Ziebart".

Contact him. Our process takes a full day or more, because we do the job properly.

But those extra hours will pay off over the years.
