

FOR YOUR

Gift of Love

It can be as free as the fresh air and sunshine at the HOMESTEAD when the two of you get away from it all for an hour or two in the countryside. It can be as rich and luxurious as modern technology can make it in an automobile from JOHN ROE. It may be as intimate as lingerie from MARGUERITE'S.

Traditionally it's candy, flowers, a cake from STOUFFVILLE BAKERY or one of the hundreds of pleasing little surprises available from such

stores as AIKEN'S, CREST'S or HOUSTON'S. Whatever you choose don't put it off, make this Valentine's a day you will both remember happily for years.
