Pretty wedding

ALTONA - A pretty wedding took place at 7 p.m. March 5, 1971 in Altona Missionary

Church when Charlotte Ann McNair, daughter of Mr. and Mrs. Fred McNair, Stouffville, became the bride of Mr. Ben Archer of Montreal, son of Mr. and Mrs. Webster Archer, Elmvale, Ontario. Spring flowers formed the background for the candlelight service conducted by Rev. Donald Pugh, pastor of the church.

The bride, given in marriage by her father, wore a full-length gown of white Swiss lace over pink silk crepe and wore a fingertip veil of net edged with pink and white Swiss lace falling from a lace bow headpiece. She carried a cascade of pink roses.

The bridesmaid, Miss Margaret Hogan of Montreal, wore a

full-length gown of pink silk crepe trimmed with white lace. She carried a bouquet of spring flowers.

Miss Coleen Gilham of Stouffville was the organist and Mrs. Linda Sargeant sang "Abide With Us" and "Day By Day". Mr. Peter Archer of Elmvale acted as groomsmen for his brother and Mr. Lorne Thompson of Toronto as usher.

Fashion show a sell-out

STOUFFVILLE - The Spring Fashion Show to be presented March 31 at the Sleepy Hollow Golf and Country Club, promises to be an overwhelming success.

Although the event is still a week away, organizers from the Canadian Cancer Society report the show already 'sold out'.

Mrs. June Button, a spokesman for the organization, said the idea of holding a fashion show evolved after the Society decided to 'try something different' in 1971. But members had no idea the venture would be this successful when they departed from the annual fund raising 'Daffodil Tea'.

"The fashion show has been a lot more lucrative", Mrs. Button reported,

Golf and Country Club, Mr. Peter Archer presided as toastmaster.

After a short honeymoon the happy couple have taken up residence in Montreal.

"We've already sold all 200 seats. We're only sorry we can't put it on for two nights."

A good cross section of the latest spring fashions - from 'way out' teenage wear to sedate spring formals - will be on view. Practically all village clothing stores are still recruiting models and planning their collections to participate in the event.

For those who don't drive, transportation has been arranged. Cars will leave from Houston's Pharmacy, St. James Presbyterian Church and Widdfield's Drug Store at 7:45 p.m.

One of the most beautiful things about it is that it's a Volkswagen.

A lot of the ugly things that can happen to beautiful sedans can't happen to this one. Because this beautiful sedan is a Volkswagen. The VW 411. Its engine can't freeze up in winter. Or boil over in summer. It's cooled by air. It doesn't have an ugly thing like a carburetor to clog or flood. Instead,

electronic fuel injection. It can't break your bankroll with big gas bills. Because the 411 gets almost the same mileage as the Volkswagen beetle. And since the 411 is the first big 4-door sedan built with all the legendary lustiness of the Volkswagen, it shouldn't break, period. We even have a special electronic system to watch out for such things.

VW Diagnosis: A series of 4 free check ups. And not only can we spot small trouble before it becomes big trouble, but our VW Diagnosis makes sure that your car gets only the service it actually needs. So in the long run, it will save you a bundle. Now that it's beautiful.
