## Letter to McKeough

### 'Too much pork in York'

**YORK REGION** Mrs. Ellen Winter, Gormley, R.R.1, is carrying on a determined campaign against cost increases in the Region of York and the Town of Whitchurch-Stouffville.

She charges it will be difficult for Area and Regional representatives to keep expenses down to a respectable level when they themselves have won salary hikes much above that of 1970.

So incensed is Mrs. Winter over the affair that she has complained personally to Provincial Treasurer, Hon. Darcy McKeough, at Queen's Park.

A portion of her correspondence to Mr. McKeough follows: "I wish to bring to your attention the actions of local councils and Regional Council, in voting themselves salaries for the next two years which, when added together will cost us (107,000 taxpayers) at least one million dollars. This figure does not include the salaries paid to town clerks and treasurers; regional clerks and drivers for the Regional

Council chairman and department heads.

Indeed, Marie Antoinette in her golden carriage looked a garish symbol of pride and vanity in the streets of Paris before the French Revolution and so does Garfield Wright in the Town of Newmarket in the year 1971.

It really hurts when Mayor Laushway warns us that we must be prepared for a considerable increase in taxes in 1971 and we discover that early in January, our Mayor and Council voted themselves substantial salaries - \$3,600 for each of our six councilmen and \$7,000 for our Mayor, who, as a regional councillor, received an additional \$6,000.

In the Region, we have nine Mayors and fifty-five councillors, all receiving similar salaries. Then, there are seven Regional councillors who average \$9,000 each. On top of this, we have Chairman Wright at a rumored \$22,500, an administrator, a clerk, etc. And now, the Regional police have settled on a new salary scale - higher of course. The story, undoubtedly, will be the same for other

More than 200 dogs and cats were vaccinated, March 17, at the anti-rabies clinic held in the Uxbridge Township garage near Goodwood.

Here, Dr. Grant Elliot of Uxbridge prepares to administer a 'shot' while Gerald Knapp, Clarendon, R.R. 1, comforts his pet.

departments.

Our elected officials have established York Region as the place to pick pockets with impunity; it would seem, unless your department does something about it.

In my opinion, we don't have the industry to support so much officialdom at such salaries and, if we did,

it wouldn't be sufficient justification for so much government at such high prices.

Before the next election, let's have the salaries printed on the ballot; let's have a few higher-paid offices (nine mayors and 55 councillors); fewer clerks and treasurers. In fact - a little less pork in York!

### Several rural schools likely to close

**YORK REGION** Boundary alterations that will drastically affect students in the Stouffville/Whitchurch area, have been proposed by the York County Board of Education.

The recommended changes have resulted from the anticipated opening of Rogers Public School in Newmarket, the new Aurora High School and Wimpey Elementary School also in Aurora.

The new facilities will make it possible to close seven small country schools in the Stouffville area.

While complete details are not available, it is thought that many students attending Pine Orchard, Vivian, and Shrubmount schools will be bussed into the Newmarket area.

Next September, Vandorf and Ringwood are slated to be closed, Lloyd will close soon after when Lake Wilcox School is completed, while Hillcrest School will become part of Whitchurch Highlands in Sept. 1972.

Those students in grades twelve and thirteen attending Stouffville District however, will remain unaffected by the proposals.

At a meeting of the Board, March 22, Steven Bacsalmasi, Head of Planning and Development, predicted that if the schools were closed, operating costs could be slashed.

He told trustees that a recent study of operating costs for eleven small schools in the Stouffville area revealed that per pupil costs for teachers, caretakers, supplies, telephone and maintenance totalled \$418.36 for each pupil enrolled.

By bussing students to larger centres, the Board could reduce the per pupil cost to \$327.26, he calculated.

"In short it costs the York County Board of Education at least \$80.00 per pupil to keep the small rural schools open."

Mr. Bacsalmasi felt
