

**Road foreman honored for long service**

Ivan Booth of Brougham, an employee with the Twp. of Pickering, and now a Road Department foreman, has been honored by Council, for service extending over a period of 25 years. He was presented with an engraved gold wristwatch, at a ceremony, Aug. 16. —Jas. Thomas.

**Hedges' Store sold**

By Rene Rennie  
**CLAREMONT** — A 30-year family tradition ended when Hedges Variety Store, a local landmark, changed hands on September 1. Mr. and Mrs. Don Hedges, the former owners, plan to retire and live near Ajax. They have operated the store since 1953, when they took over from Mrs. Hedges' mother, Mrs. Leonard Lye. Don Hedges has long been active in local activities, especially the bowling club of which he was president for two years. He plans to keep up his membership. The new owners, Mr. and Mrs. Larry Chretien, admit this is their first business venture. Mr. Chretien is an ironworker, while his wife was a schoolteacher. They have moved from Ajax, and are now living in Claremont. No immediate changes are planned. "We'll leave it just as it is," said Mrs. Chretien, "people are used to the store, they can find what they want". Mr. Chretien plans to continue in his trade and his wife will be at the store full-time. Claremont Girl Guides resume their activities, Sept. 16 at 7 p.m. The first four meetings will be held at the home of Guide Captain, Mrs. K. H. Evans. Claremont's Squirt baseball club has evened their O. R. S. A. playoff series with Oneida, winning Sunday, 6-3. The final match is Sept. 4 at Oneida, with game time, 6:30 p.m. A bus will leave the 'four corners' at 3 p.m. Spectators are welcome. Glen Gauslin, son of Mr. and Mrs. Gordon Gauslin, was released from Scarborough General Hospital, Aug. 24. He was a patient there for 6 weeks, suffering severe burns from a lightning bolt while employed at Pine Hill Cemetery, Scarborough. Mr. and Mrs. Jack Rennie celebrated their 30th wedding anniversary, Sunday. The occasion was marked by a visit to the C. N. E. with their granddaughter, Kim Budd. Gail Britton and Dennis Smith received many lovely gifts at a miscellaneous shower in their honor, held at the home of Mr. and Mrs. George Smith. They will be married Sept. 4 in Stouffville. The Claremont U.C.W. will meet Sept. 13 at the home of Mrs. Linstead with Dorothy Cook and Sadie Hardy in charge of the program. The roll call is a place of interest visited during the summer. The Claremont United and Baptist churches return to regular services this Sunday. Norman and David McKenzie and Brian Wilson, are attending the Billy Harris-Davey Keon Hockey School. Claremont's juvenile girls blanked the Nipigon team from Oshawa, 18-0, Sunday. To date, this season, they have lost only one game.

**LOW LOW LOW EVERY '71 MUST GO**  
**YEAR SAVI RONAL**

**Beware of falling objects.**

They can put a severe dent in your wallet. You see, in only a matter of weeks, they'll be used cars. So what you gain buying this year's leftover right now, could be what you lose in depreciation after the '72 models arrive. Unless you decide to buy a new Volkswagen. Volkswagens depreciate at a snail's pace. In fact the same Beetle that sold for about \$2100 three years ago is still worth about \$1500 today. That's right. You only lose about \$600 over 3 years in depreciation. Of course, if you still can't resist that car with the "rock bottom" price, just remember: You'll never really know what "rock bottom" means until you try to resell it.
